

Beautiful Aspen Fall Foliage & Sights Of Colorado Springs: Royal Gorge Train, Pikes Peak September 29-October 3, 2025

TRIP HIGHLIGHTS INCLUDE:

- Overland Prevost Motor Coach with Wi-Fi, 110 outlets, kneeling entrance, TV/Video and smooth ride
- Four nights lodging at the beautiful Hyatt Place Hotel
- Four full breakfasts, two lunches and two delicious dinners
- You'll view some of the most beautiful foliage in the state, and see the changing colors of the gorgeous aspens of Cripple Creek. Enjoy lunch here at The Creek Restaurant, a real winner with great entrée choices.
- The view from The Pikes Peak Cog Railway is sometimes as great as 75 miles from the 14,110 foot summit. In 1933, the view inspired "America The Beautiful" by Katherine Lee Bates. You can also enjoy a donut made at the peak.
- Enjoy a two-hour scenic ride on the Royal Gorge Route Railroad. It crosses a hanging bridge where the gorge narrows to 30-feet wide. Enjoy lunch as you see the sights.
- Garden of the Gods at the base of Pikes Peak, is known for towering red sandstone formations which include Kissing Camels and Balanced Rock. It was voted the #1 park in the country and the #2 park in the world by Trip Advisor. When you leave, you'll stop at the Garden of the Gods Trading Post with an extensive Southwestern gift shop and have lunch.
- Cosmos's Magic Theatre, rated #4 on things to do in Colorado Springs by Trip Advisor. The show is "impossible things," an evening of choreographed deception. The atmosphere for the theatre is special since the show will be only for our group.
- Flying W Ranch features a chuckwagon dinner and a show with high quality musicians and clean bunkhouse humor honoring the traditions of the old West.
- Wimberger's Old World Bakery, a unique experience.
