

## DSTC PARENT CODE OF ETHICS

---

I will not force my child to participate. (Remember, your child should be involved in amateur sports for their own personal enjoyment)

I will be present to support my child during meets and team activities.

I will get my child to and from practice and meets in a timely manner.

I will always encourage my child to obey all rules of competition.

I will teach my child that hard work and honest effort is as important as winning. There should never be disappointment when he/she has done his/her best at that particular time, on that particular day.

I will lead by example, always applauding for my child and his/her competitors.

I will promote the ultimate excellence in good sportsmanship.

I will never ridicule my child, or any other athlete.

I will not publicly ridicule the judgment or honesty of any Official.

(See any head coach to file written/verbal protest)

I will recognize the value and importance of all volunteer personnel, officials and coaches. I will always use sound judgment and professionalism.

**I will always represent SWIFT with dignity and respect.**

I understand and acknowledge my athlete is required to adhere to the DSTC Athlete Code of Ethics.

I understand that by remitting registration fee payment and completing the registration process, I acknowledge and agree to adhere to the Parent Code of Ethics.

Furthermore, I also acknowledge that as a parent/guardian, failure to adhere to the Parent Code of Ethics may result in dismissal from the team, which may result in forfeiture of funds paid to participate.
