

Raptor Nationals Info

- Entry fee includes all events, hotel rooms, meals, event shirt, tracker and event decals
 - 3 days of rides with a catered lunch stop each day
 - Average of over 120+ miles each day.
 - Mileage divided up on state roads and dirt roads.
- We have taken great measures to use good dirt roads that will not destroy your truck. We understand that most of these vehicles are your daily drivers and need to get you back home and to work on Monday.
- Ford Raptor trucks only invited for this event. If you have a Raptor body on a truck that is not an actual Raptor, you are welcome as well as long as your truck is professionally done.
- All trails plenty wide enough for a Raptor truck without scratching....if you stay on the trail.
- We are attempting to secure Racing Trax trackers for each truck entry which will allow us to see your location at all times as well as allow your friends and family at home to see your location and current speed at any time during the event.
- You must have a VHF / UHF type radio for the event. We will have rental radios available but they must be preordered before the event. Rugged Radios will offer a special package with the proper channels installed for all Raptor National participants.
- All trails will be offered on a card for any and all major format GPS units. We strongly suggest you have a GPS unit for this event. Contact Rugged Radios for a great deal on a system.
- TrophyLite Racing will supply chase trucks and crew to ensure that everyone gets home safe.
- This is NOT a race. You will be almost on entirely public roads that are open to traffic. ANY accident, or damage to your truck or to anyone else's property will be responsible for repairs. Our insurance is to cover us, not you. Any reckless drivers will be asked to leave the event with no refunds
- This event is designed around the current COVID-19 restrictions in the state of Arizona and the cities we will be visiting. While we hope some or all of the restrictions are lifted it is also possible that there will be more strict rules and restrictions enforced. While it is never our intention to have to cancel an event, we will do so if it is not socially responsible or puts any of our participants or communities in jeopardy. If you have ANY symptoms, PLEASE stay home. Of course we will offer a full refund minus any administration fees Five 2 Productions, Flying E Ranch or TrophyLite may incur to set up the event.

Please contact us at Jason@Five2Productions.com if you have any questions.
