Enjoy an amazing three-night stay in Sunriver Oregon in a three-bedroom vacation rental home provided by Village Properties of Sunriver. Village Properties manages a great selection of Sunriver vacation rental properties.

When it comes to “family friendly” vacation destinations, Sunriver is ideal! Create moments and memories for your family that will live well beyond your visit. Centrally located to local lakes, the Deschutes River, Mt Bachelor, and many more natural wonders, adventure is right at your feet. Experience cruiser bike rides on the 30 miles of paved trails, a horseback ride with the folks at Sunriver Stables, rafting or canoeing down the Deschutes River, and tasting locally made ice cream at Goody’s at the Village at Sunriver. Mom can hit the Sage Springs Spa while Dad takes the kids to the Meadows Course 9-hole putting course.

Enjoy the epitome of farm-to-table fine dining at Carson’s American Kitchen and the Twisted River Tavern. Plus, you can get a glimpse of the moon like you’ve never seen it before at the Oregon Observatory in Sunriver. The retractable roof allows you to gaze into deep space through one of a dozen telescopes.
