

COVID-19 Statement

The safety of our staff, customers and that of the public is our highest priority.

As per government instructions our team will ensure all relevant Government guidelines are complied with.

We will ensure all our team regularly use disinfectant wipes and hand sanitiser.

All COVID-19 related hazards and our control measures will be included in our Risk Assessments as example shown below.

Risk Assessment example:

- All staff to comply with current Government guidelines.
- Use hand sanitiser and disinfectant wipes (supplied).
- Supervisor to monitor all operatives.
- Maintain 2m social distancing where possible.
- If sharing a vehicle ensure it is well ventilated.
- Avoid travelling anywhere apart from the job unless necessary.
- If any symptoms develop you must stop immediately and return home.

Our single point of contact for reporting any cases of COVID-19 is –

Katie Dore
