

**CHUCK GREENBLOTT:**  
**The Unstoppable Force**  
**in Long-Term Care and**  
**Planning Mastery**

**I am Chuck Greenblott, MHA, CRPC, CLTC, and I don't just plan for the future—I dominate it. With well over a quarter-century mastering the complex intersection of retirement planning, long-term care, Medicare, and investment strategy, I've forged a path defined by unwavering client success.**

**I am an Author, Financial Planner, and Long-Term Care Specialist who doesn't shy away from complex financial landscapes. As the Owner and Advisor at Power10 Financial Partners, I lead the charge, delivering comprehensive strategies in life, Medicare, health, annuities, and, most critically, long-term care insurance. I bring my deep-rooted experience—including owning and operating multiple long-term care facilities and serving as a Senior Financial Advisor—to every plan I craft.**

**I work tirelessly to utilize my education and years of experience to help clients meet the physical, social, and financial challenges of aging, so they can enjoy their best life possible, and provide a legacy for generations to follow.**

**My mission is simple: to provide the security and well-being you deserve.**

**I'm not just a planner; I'm an advocate and a published author, continually educating and empowering you to navigate the intricacies of the past, present, and future of security and well-being. My books are a collection of my experiences with my clients, peers, loved ones, and all those I will serve in the future.**

**My Credentials are the Cornerstone of My Confidence.**

**When the stakes are high, you need more than an advisor—you need a strategic leader. I deliver tailored financial strategies and long-term care planning that truly makes a significant client impact. I don't follow the status quo; I redefine it.**

**Let's build a future that is not just secure, but unstoppable!**
