Dear Patients,

As many of you are now aware, I have been working from my home address, 12 Campbell St Kew, for the last 5 months and have created a website/on-line booking system which can be accessed at <https://mhlphysio.com/>

I have now transitioned to an online booking model, but should you experience any difficulties with it, please contact me at markliszukiewicz@gmail.com or on my mobile 0414618310.

Under Stage 4 restrictions, the State Government now requires that you wear a MASK for your consultation. Physiotherapy remains an essential service and I am permitted to continue face-to-face consultations. In addition, I would like to reassure you that I am taking necessary precautions to protect you and myself, and in turn, my family when you come in for your physiotherapy appointment.

Please note that if you or any of your close contacts are experiencing any flu-like symptoms whatsoever, please do not book an appointment. Get tested.

When arriving for your appointment, please wait outside, on the porch, or in your car until your appointment time. No doors at my home will require contact, I will provide hand sanitiser, and the treatment couch head piece will be sanitised between each patient appointment. I would kindly ask you to take off your shoes before entering my home and please bring a fresh clean towel to place on the treatment couch. I would also like to ask that only one person enters my treatment room unless you are accompanying a minor.

You are receiving this letter because you have had treatment with me recently and/or have provided me with your email address. Please circulate my online booking website and email as I may have missed some former patients in my mail out. I will continue to inform my valued client base should my work situation change in the upcoming months.

Yours Sincerely

Mark Liszukiewicz
