 - Captain Bryce Heinlein introduced Sergeant Matthew McPhail who has recently been assigned to the graveyard shift to cover this area along with other adjacent areas. Captain Heinlein indicated that, in January, new assignments were also made for patrol officers covering the downtown/midtown area. Sac PD is able to use public safety cameras within community and can access the cameras from their patrol cars. Captain Heinlein reported that one extra patrol car has been assigned to Midtown area. There was some discussion about how the city and law enforcement are handling the homeless issue in the downtown area. Issues related to larger encampments are being handled through the City's Incident Management Team which contains representatives from a variety of agencies such as the Department of Community Response, the PD, Fire Department, Code Enforcement, Animal Control, etc. Patrol officers have been assigned responsibility to handle camping issues involving 1-2 individuals.
 - Sgt. McPhail reported that parking meters have recently been targeted resulting in over \$600,000 in damages/loss. Parking enforcement and PD working together to address this issue.

Kevin raised safety concerns about two areas within our association's boundaries: 26th and Matsui and Amber House (22nd & Matsui) and asked that the patrol officers be made aware of these 2 areas. With the help of POP officers, there was some improvement in the area of 26th and Matsui Alley but the criminal element seems to have returned to this area. Sgt. McPhail provided his email contact information as follows: mmcphail@pd.cityofsacramento.org

- Holiday Bake Sale Fundraiser Wrap up

Bekah reported that \$700 was raised and there will be approximately \$700 in matching funds. All baked goods were donated. There was a question as to whether this will be an annual fundraiser. Kevin indicated that we should establish a committee to push this forward.
