For All Canine Disc Rules and Judging Criteria please follow the link to the CDA Website... [CDA Competition Rules](#)

In Addition to the standard CDA judging criteria the following criteria must also be followed :

Judging will happen by the submission of video to the Facebook event page for judging

For Freestyle Skills Rounds

Up to 2 1/2 minutes of unedited or live video will be required per Super Pro Skills team per round to be judged

Up to 2 min of unedited or live video will be required per Pro Skills team per round to be judged

Scoresheets will be made available for all to see how they scored after all rounds have been judged

For Games & Throw & Catch Rounds

Time Trial & Throw & Catch adapted Rule Criteria

Playing Field Width... for our Online Games we will allow a minimum field width of 5 meters, up to the standard field width of 30yards. Competition field to be marked using paint or by the use of field markers at all intersection points

It is recommended you use the countdown timer which can be downloaded from the CDA website, to verify judging rounds if the countdown cannot be heard on the video the online judge will commence time when the dog or disc crosses the first throw line.

* Consider your camera angle, video must show a view all of the marked competition field, submission videos with cameras below around 2 metres may be deemed not suitable for judging

* Keep it in frame for judging and throws caught outside of frame will not be counted

* If your video is poor quality or too far away, CDA reserves the right to deem it not suitable for judging.

* There will be No prizes for placings - scores will be determine if minimum criteria has been met for Qualification purposes only.
