Staff Structure

Red Ball Academy Philosophy

Fun and Engagement

- Make every session playful and positive.
- Use games, stories, and themed activities to keep kids excited.
- Celebrate effort more than outcomes.
- Positive words ("Good try!" "Nice shot!")
- High-fives

Basic Athletic Skills (ABC's)

These are the building blocks for tennis:

- Agility – quick feet, changing direction
- Balance – stable footwork, one-leg stands
- Coordination – hand-eye and foot-eye skills (bouncing, catching, tossing)
- Movement – running, stopping, hopping, skipping, shuffling

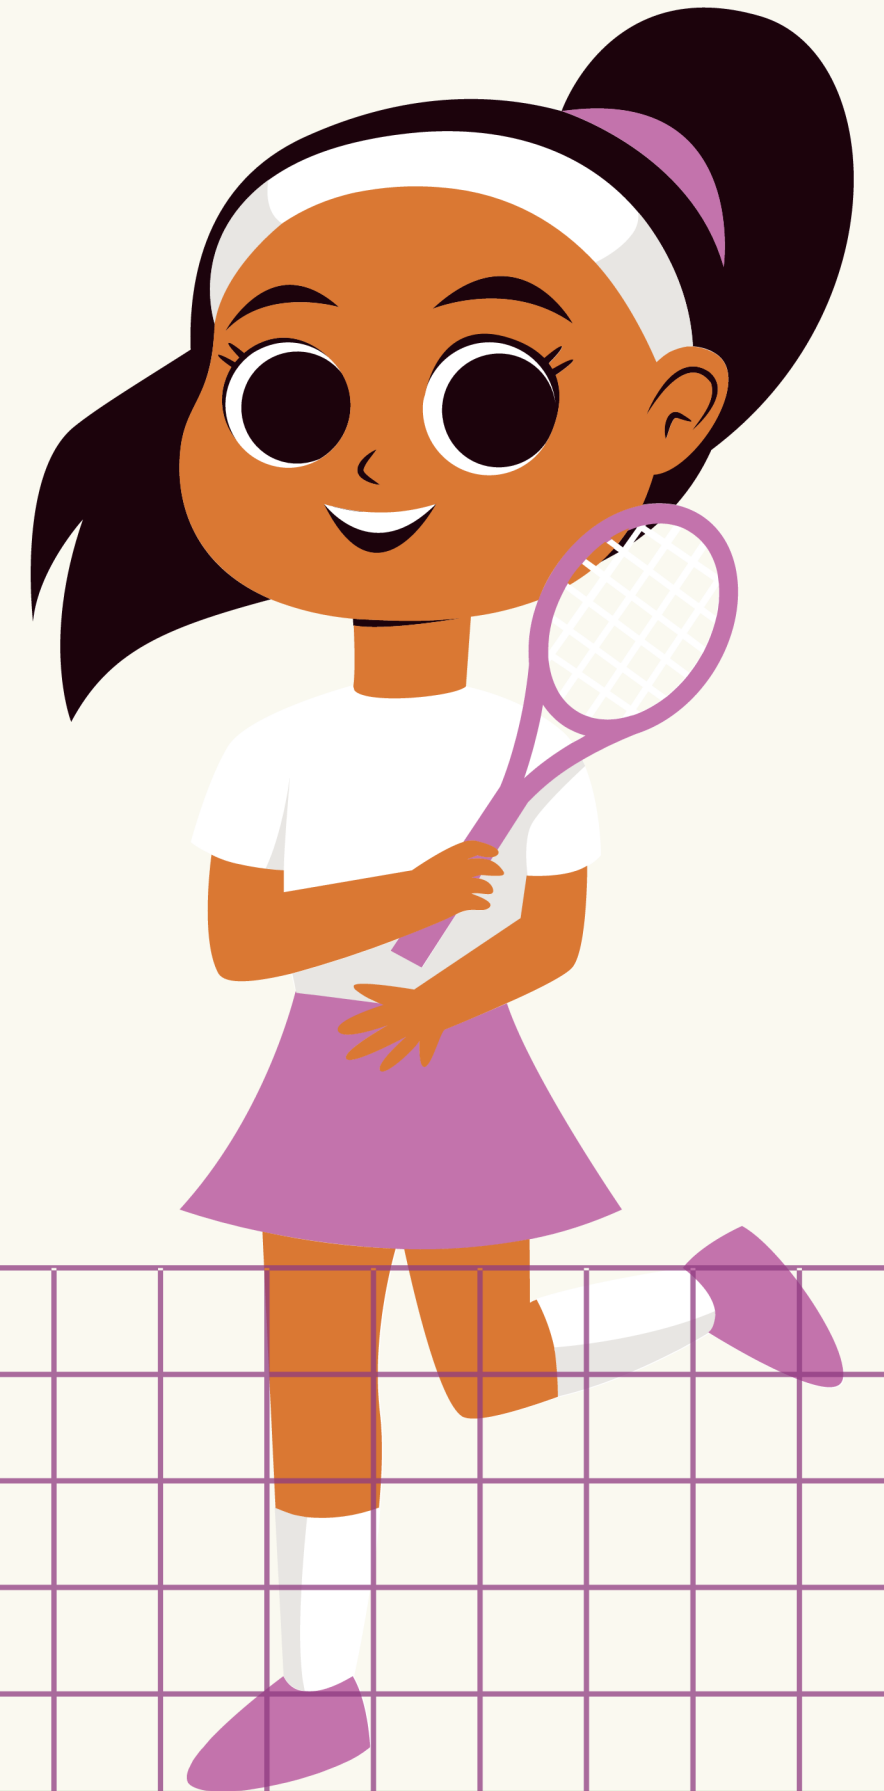

Foundation and Technique

Introduce these in a super simple and visual way:

- Forehand swing (with a big, loopy swing path)
- Backhand basics (two hands or one—either is fine)
- Volley technique (punch-style)
- Simple serve or overhead throw motions
- Simple footwork: moving to the ball and recovering to a "home base"

Life Skills

- Listening and Following Instructions
- Encouragement to take turns and listen
- Good sportsmanship
- Learning to win and lose with grace
- The value of staying active
