*"Emotional, erotic and deeply embedded in the psyche, The Virtues of Joy is the welcomed deliverance from the unhealthy union of expectation and obligation to the well-deserved celebration of freedom and desire."*

It is with great pleasure that I ask of you and your organization to consider becoming one of our valued sponsors for the production and premiere of **The Virtues of Joy** short film. This offering was adapted from the short stories written by author Joycelyn Wells.

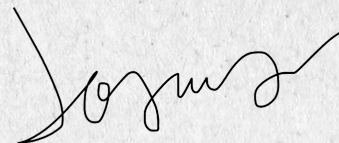

As with any amazing idea, we are looking for financial support. Independent films such as this contribute to the diverse cultural and entertainment tapestry of our city, and you are encouraged to take advantage of being a part of this momentous occasion.

Supporting the directors, producers, business locations and planning teams require a special kind of passion and dedication. Not only will this project serve as conduit to amazing opportunities, it will facilitate growth and opportunities for everyone involved.

You should know, I am passionate about literature and film and would relish the opportunity to discuss how I might be able to make a difference in the lives of others who, too, are seeking more.

I have enclosed the sponsorship levels and am available to discuss at your convenience, 770-906-6506, joycelyn@joycelynwells.com

Looking forward to experiencing Joy with you...
