

## Jr Badgers Baseball Tournament Rules

We play using the National Federation High School Rules with the following exceptions:

1. There are no pitching limitations. As we have no knowledge of a pitcher's use prior to a tournament and each coach knows their players better than anyone, we do not enforce any pitching limitations. Once taken out of a game as a pitcher, the player may not re-enter as a pitcher in that game.

2. Games are one hour and forty minutes in duration. No new inning may begin after the one hour and forty-minute time limit unless the score is tied. New inning starts immediately upon the completion of the previous inning for time keeping purposes. In the event of tie games, regardless of time remaining, the following applies: Place the person who made the last batted out in the previous inning at second base to start the extra inning, and there is 1 out. For pool play games, there is a limit of 2 extra innings, if after 2 extra innings the game remains tied it will be scored as a tie in the standings. Gold Bracket Championship games will have a 2 hour time limit.

3. Umpire may limit warm-up pitches between innings.

4. Teams ahead by fifteen (15) runs at the end of three (3) innings, ten (10) runs at the end of four (4) innings or eight (8) runs after five (5) innings will be declared the winner.

5. Games are six (6) innings in duration. Coin flip will determine home team in pool play.

6. Teams need to be prepared to start any game up to 15 minutes prior to the posted start time. Allowances will be made for teams playing back-to-back games for the health and safety of the players. Any team, which does not take the field within 10 minutes of the declared start time, shall forfeit the game upon the opposing team taking the field and throwing the first pitch.

**7. There is no mandatory slide rule, but base runners must make every effort to avoid contact with fielders.** Please review the NFHS rules concerning avoiding contact. Base runner will be ejected if umpire determines actions were malicious.

8. Balks will be called at ages 11U-18U. Umpires will give each pitcher one warning at the 11U & 12U levels. There are no warnings at the 13U age and up.

9. 9U-14U must bat all players in attendance and in uniform for each game. 15U-18U will play standard NFHS rules.

10. Each game must begin with at least nine (9) players, but can end with eight (8) players, unless team allows opponent to start the game with fewer than 9 players. No penalty will be given for a player leaving the game due to injury (injured player may not reenter if their spot in the batting order has been skipped). Players leaving the game for reasons besides injury will have their spot in the batting order declared an out each time through the order.

Forfeits will be scored as 7-0 for tie breaker purposes.

11. After first pitch of a team's first game, no players can be added to a team's roster.

12. All batters and runners must wear helmets with earflaps. No exceptions.

13. No batting practice or infield practice is to be allowed before games.

14. Courtesy runners are optional for pitchers and catchers at any time.

**15. Games canceled or called due to weather will not be rescheduled.** In addition, weather conditions may result in games being shortened for all or part of the tournament. **Any game that completes 3 innings or 2 1/2 if the home team is winning is considered an official game. Furthermore, if a game is called due to weather and less than 2 1/2 or 3 innings have been completed, but the game clock has passed one hour, it is also an official game, score reverts back to last completed inning.**

16. No protests allowed on judgement calls.

17. Players, coaches, and spectators are expected to always show good sportsmanship. We have a zero-tolerance policy for spectators or assistant coaches harassing umpires, spectators are to support their team in a positive manner. Any player ejected from a game will be suspended from the team's next game. **Any COACH or SPECTATOR that is ejected from a game will be banned from the complex for the duration of the tournament. There is no appeal of any ejection.** Failure to abide by this rule will result in the team's forfeiture of all tournament games played or games yet to be played. No refunds will be issued.
