Sponsor Request Letter

Dear Potential Sponsor:

QUANTUM TRACK CLUB (QTC) is a non-profit organization, founded on May 18, 1997, serving the southern area of Brevard County. QTC was organized for the sole purpose of encouraging and developing our young local athletes, both boys and girls. Our goal is to provide an instructive environment to allow the kids to grow mentally, physically and athletically.

We are offering an opportunity to local businesses like yours to become Team Sponsors. Your contributions will be targeted exclusively to lessen the growing costs of the track club, enabling our athletes to fully participate in training programs and to attend league track meets – locally, regionally and out-of-state.

QUANTUM TRACK CLUB is guided by our Founder/Head Coach, Christopher McPherson, alongside a volunteer team of coaches and dedicated parent-volunteers. Our primary revenue source is registration fees paid by families and sacrifices made by our volunteer coaches. In order to continue to make this rewarding experience a reality for our young athletes, we are reaching out directly to local businesses, family and friends, and **offering the opportunity to help by becoming a sponsor!**

By making a tax-deductible donation to Quantum Track Club, you become an important part of our community and help make our organization a success!

While any donation amount is greatly appreciated, the following Sponsorship levels are available to benefit your business as well:

Bronze Team Sponsorship	Silver Team Sponsorship	Gold Team Sponsorship
\$250 or more	\$500 or more	\$1,000 or more
Name/Logo posted to our Facebook	Name/Logo posted to our Facebook Name/Logo advertised at local track meet	Name/Logo posted to our Facebook Name/Logo advertised at local track meet Name/Logo on marketing material/apparel

**Sponsorship benefits offered for current track season and can be renewed on an annual basis.*

Please consider this opportunity to promote your business but to most importantly support local young athletes. Please contact us directly using the contact details above to discuss this opportunity.

Respectfully yours,

QUANTUM TRACK CLUB
