About Us

The St. C Singers Show Choir is a group that began at St. Clairsville High School in 1980. It is the only competition High School Show Choir located in Belmont County and the only remaining Show Choir in all of the Ohio Valley. The St. C Singers compete in Show Choir Competitions all over Ohio and West Virginia. In addition to giving our children an opportunity to create music, the Show Choir also gives them a chance to display their musical talents. We are also blessed with a wonderful band and tech crew, in addition to our talented singers and dancers.

Meet our directors

SARAH GASMIRE

CARRIE RUSSELL

Sarah and Carrie both have a long history with the St. C Singers. Sarah is an alumni of the St. C Singers and Carrie has been a "Singer's Parent" for nearly a decade! They are both excited to be at the helm of this year's program and hope to use their individual talents to serve the St. C Singers this year to strengthen and continue the legacy of the St. C Singers for years to come!

This Year's Show

Welcome to our totally tubular “80s Rad Radio Show,” a tribute to the 1980's when the St. C Singers was founded. As we reflect on the legacy of our Show Choir, we take you back to the raddest decade ever! Get ready to vibe with our stellar Show Choir as we bring the most bodacious hits of the 80s to life. From neon skirts to gnarly dance moves, we'll transport you to a time when cassette tapes ruled the airwaves. Our talented singers and dancers are here to rock your world with classic tunes that will have you saying, "Totally awesome!" while you reminisce about your fave flicks and fashions.

As we kick off this epic journey, prepare to hear iconic anthems that defined a generation. Whether you're a fan of the rad rock riffs, the synth-pop vibes, or some country crooning, we've got something for everyone! So, sit back, chillax, and enjoy as we crank up the volume and take you on a wild ride through the 80s. Grab your hairspray and get ready to groove and have a blast, because this show is gonna be out of sight!

The background of the entire image is a light gray pattern of musical notes and treble clefs. The text is centered and uses a mix of black, red, and gold colors.
