

April 28, 2020

Dear soccer players, families, local businesses, coaches, volunteers and referees:

The Ramara Soccer Club (RSC) would like to thank you for your patience during this unprecedented and challenging time. We have been patiently awaiting guidance from Ramara Township with regards to our 2020 soccer season. They have been following the practices that have been put in place by government officials and public health.

**Unfortunately at this time our 2020 Soccer Season will have to be cancelled. Ramara Township has cancelled all recreation events until further notice.**

The RSC understands this will be disappointing news for our community of players and families, local businesses that have been assisting us for years by making our soccer season a success.

Parents/Guardians & Local Sponsors, if you would like a refund of your fees for the 2020 season please reach out to us at [ramarasoccerclub@gmail.com](mailto:ramarasoccerclub@gmail.com). We ask for your patience while we process refunds, we are a small group of volunteers and this will be a big task for us. We will be exploring options other than refund by mail but need some more time to research this.

- Please provide the name of the players
- Full address and name for the cheque to be made out in the email
- We will process them as quickly as we can.

You are also welcome to leave your registration and or sponsor fees with us and we can honour them for the 2021 season.

Feel free to reach out to us to discuss options.

We have the best interests of the Community at heart and are saddened by this news. We want to keep our community safe and healthy so we will follow all suggested guidelines brought forth by our public health officials, Ramara Township and soccer officials.

Yours Truly,

Suzy Ferdinand

President
