California Chapter's Information

Jan/Feb 2019

Source Since 1965

I would like to extend our best wishes for happy holidays. We hope these will be the best and safest holidays you have very had.

Our rally in November was held with mixed feelings, the rally in itself, was excellent thanks to Ann and our cohost Joan and Paul Flickinger and all the volunteers. The reason it was with mixed feels, it was our last Thanksgiving outing at this location. We will miss the fish fry and all that goes with the park. However, we are going to have the same excellent outing with the turkey dinner and all the fixen's at a new location. We have booked the Pechanga RV Park for the four days of November 20 to 24, 2019 so that we can continue to have the fun outings we have always enjoyed.

During the rally Lon Cross did his usual excellent job of installing your new officers for this year, and I am looking forward to working with them. At the boarding meeting several things were discussed and approved. Money was approved for a parade float at Indio, as well as for a social following the chapter fair. Unfortunately, we have not had the time to get the float together, so we will not have one this year. The social however will be held immediately following the chapter fair in the parking lot at the north-east corner of the auditorium. If you are at the rally, please join us. This event is used to attract new members who attend the chapter fair and your presence could help. One of the other items we discussed was trying a rally at the Orange Grove RV Park in Bakersfield. This was approved and has been scheduled for April 2019. If you have not stayed at the park you will be pleasantly surprised, it really is in the middle of an orange grove, and excellent facility.

During the general membership meeting we held a vote on the New By-Laws for our chapter, and they were over whelming approved. The new by-laws are posted on our web site if you would like to review them. The major changes were allowing individuals (continued...)

with self-contained towable's to become members and changing the term limits for officers from one year to two year terms effective with the next elections. Thanks to Joan Flickinger for spearheading the revision of these by-laws.

An item that was discussed at both the board meeting and voted on at the general meeting was the joint rally being held with the Bet the Odds Chapter in February 2019. The vote turned out to be 15 for the rally and 14 opposed to having the joint rally. Bet the Odds Chapter is an excellent chapter, and many of our members belong to this chapter. Those that belong have the opportunity to attend their rally and others could go as a guest. Those who don't belong, or don't want to attend the one in Laughlin are without a rally in February. This is the reason I plan on booking a California Chapter rally for February 2020.

We have 15 members signed up to come into and park together at the Indio Western Area Rally on Sunday the 6th of January. Plan on meeting at the Spotlight 29 casino by 1:15 pm where we will caravan over to the fairgrounds for a 2:00 pm parking schedule. Between 4 and 5 PM that after noon will well have a happy hour in the parking area by the coaches, plan on bringing your own beverage.

We look forward to seeing you all next year, Happy New Year.

Respectfully,

Roy McDaniel, President

CCFMCA

November Rally at Chula Vista RV Resort and Marina

And the current Bonehead Award Recipient...

Ron gave the bonehead to Walt Prara because Ron was helping Walt park into a trash can. Earlier in the day Ron hit a trash can so he was an expert in parking.
