At Ben Tire Distributors, we are proud to be members of this community.

As coronavirus (COVID-19) cases continue to be reported throughout the United States, we want you to know Ben Tire Distributors continues to carefully monitor the rapidly changing situation. We will comply with guidelines set by the Centers for Disease Control, and by federal, state, and local entities. Our top priority is the safety and welfare of our employee-owners and our customers, followed closely by ensuring as little disruption as possible in our efforts to meet the needs of our customers.

As the concern for public health grows, we want you to understand that we are taking measures to ensure the safety of our employee-owners and our customers.

- Our employee-owners are receiving additional instructions on maintaining safety and hygiene to prevent the spread of illness. With the fluidness of the situation, we are updating our staff often as the situation changes.
- We are continuing to maintain the cleanliness and sanitation at our locations, particularly in waiting areas, restrooms, and service counters.
- We are advising our employee-owners to stay home if they show signs of any illness.

We appreciate your courtesy as well, and if you are not feeling well and would like to reschedule your delivery, please call our location and we will be happy to reschedule.

For more than 90 years, Ben Tire Distributors has had the honor of serving customers like you. In times of uncertainty, members of communities band together for support. We, as proud members of this community, join in this support and will do our best to assist with your tire needs.

We want all members of our community to stay safe and healthy. Please take care of yourselves, and each other.

As always, we are grateful for your trust and confidence. Our best wishes to you, your employees, and your loved ones, especially in the days ahead.
