We are a ministry that helps children develop, spiritually, physically, socially and emotionally in preparation for continuing education. We encourage the development of self-discipline, a good self image, curiosity and enthusiasm for learning. We feel that the education of children requires cooperation and communication between the school and family.

After a child is enrolled parents may drop by the school at any time without an appointment. However, for safety reasons, we encourage all parents to check in the church office when visiting. For tour appointments and more information please contact the Preschool Director at 253-848-4548 ext. 22. You can always find our registration paperwork at our website at www.ilcpuyallup.org.

ENROLLMENT

Enrollment for our current school year is ongoing if we have space available. All fees will be prorated at the time of enrollment. You can find registration paperwork or register online at www.ilcpuyallup.org under the preschool tab.

We conduct a three phase registration based on a first come first served basis.

- Currently enrolled families have the opportunity to register in phase one.
- Current church members and/or ANY preschool alumni families in phase two. By our definition an alumni student is any family that has been enrolled in our program, regardless of the time between enrolled children.
- New families in phase three—you can submit online paperwork prior to your registration phase, however your registration packet will not be accepted prior to our new family open house night held in January. Watch our website for registration dates.
