THE REGISTRATION PROCESS:

As a committee we have always encouraged our "Sponsorship Family's" to create a tight network. There have been many Sponsorship Family's that have been attending the MMSR since the beginning of the retreat, and I'm sorry to say, but seniority does have its privileges when it comes to the registration process. We do our best to place Sponsorship Family Groups together. This can only be done through our retreat registration chairperson, who can help group families together as much as possible, prior to the "Open Registration" date. Again, understand those that have been attending and have reserved the same Condo/Cottage for years will have the opportunity to reserve it first. If you have a large group you would like to reserve prior to the **"Open Registration Date begins May 13, 2026" @ 10:00 am,** please contact Jeremy Tietz @ 989-545-9143 or George Schlicht @ 231-676-0077. Leave a message and we will return your call at our earliest convenience. Please have full names of registrants, days everyone will be staying, and Credit Card information available when you call.

WHERE:

Retreat housing (hotel, cabins, lodges, and condos), meals, snacks, meeting rooms, and leisure facilities are contracted from Gull Lake Ministries (GLM); The Registration Fee (\$290.00) covers housing for 2 nights (with bedding and towels), 5 meals, 2 snacks, and all Retreat activities. The Retreat is held on the GLM campus at 1800 Burlington Drive, Hickory Corners. MI 49060. GLM's Retreat accommodations may be viewed online at www.gulllake.org.

WHY:

The Michigan Men's Sponsorship Retreat is held annually to provide a safe and suitable environment to experience the 5 R's of Retreat: 1) Rest, 2) Relaxation, 3) Reflection (Honest Self-Assessment), 4) Reconciliation (Guidance & Amends), & 5) Return (to our home groups and our families) ... and to collectively keep the heart of Recovery beating by building stronger sponsorship relationships.

SMOKING POLICY:

We are the only group that is allowed to have designated smoking areas during the weekend of a retreat held at Gull Lake Ministries. Smoking will only be allowed in the designated areas and pertains to All tobacco products; as well as E-Cigarettes, Vaping and Chewing. As per our traditions, we are a reflection of NA. To not follow the rules of GLM we represent NA poorly. **We will ask members to leave upon repeated instances of smoking, outside designated areas.**
