

## HELP KEEP OUR STORY ALIVE

The Friends of the Library (FOL) was founded even before our library opened its doors in 2004. A group of concerned citizens saw the need for a library in Southwest Brunswick County and thus began what would soon become the Friends of the Library Hickmans Crossroads Library.

In June of 2018 the library moved to a larger building with more parking in order to better serve our community. It changed its name to reflect the new location and became the Southwest Brunswick Branch Library. Our Friends group changed its name to align it with the name of the library.

Volunteers have always been very important to the success of Southwest Brunswick Branch Library. Over the past 14 years, dedicated volunteers have contributed over 21,000 hours of time to our library. The Friends look forward to the continuation of this story.

**If you have time to share, we welcome you to become an active part of the Friends of the Southwest Brunswick Branch Library.**
