

**GRANDMASTER  
YANG JUN**

A seminar with Master Yang Jun is a fun, inspiring learning experience that you will never forget. It is one of the very best ways to quickly improve your skill and understanding of Yang Family Tai Chi Chuan. His great ability to clearly teach the finer points of tai chi chuan and link tai chi theory to practice will help you learn how to perform the movements and understand in depth why they are performed the way they are. This greater depth of understanding will allow you to refine your own daily practice of tai chi chuan long after the seminar is over so you can continue to improve. Grandmaster Yang Jun's precise, clear teaching style and his patient, kind personality makes him a favorite teacher for many Yang Family Tai Chi Chuan practitioners around the world. Attending a seminar is also a great way to meet new friends who share your love of tai chi chuan
