Veterans' Group In Charged With Liquor Violation

The state Division of Alcoholic Beverage Control has charged the West Hunterdon Veterans' Association, Millford, with serving liquor to persons who were neither bona fide club members nor bona fide guests of members on April 15.

The alleged offense is a violation of the ABC rules on club licenses. The club is on Mount Pleasant Road.

Joseph H. Lerner, acting director of the division, said the licensee must enter a plea to the charge by Wednesday. If the plea is not guilty, a hearing will be scheduled.

The license could be suspended or revoked if a guilty plea is entered or the hearing results in a guilty finding.
