Hunterdon Central Gymnastics Squad Captures State Title in Fiedhouse

By John Sipola

Just four short years ago Hunterdon Central took the steps to establish a boys' gymnastics program.

After all, the equipment was already around and they were at least two competent coaches on the teaching staff.

Today, Hunterdon Central is the state boys' gymnastics champion, and the result was anything but a squeaker.

After all, six events were decided last Wednesday evening, the final tally read: Hunterdon Central 118.15, Henry Hudson 114.20 and St. Peter's 102.40.

Coach Pete Fick, who blunderbusted the team's beginning back in 1972, was over-ly enthusiastic before and after the meet.

"It's a really great night in the history of the sport at Hunterdon Central," the victorious coach commented. "The kids have worked toward this goal for four years now and they have been rewarded."

The reward was even greater than anticipated four years ago.
