EUGENE SAKS director of the All-County Band performing to raise funds for the Jennie M. Haver Memorial Scholarship.

School Band Concert To Aid Haver Fund

The Hunterdon All-County Band under the direction of Eugene Saks will present a concert at 8:15, Saturday, April 3, at the Hunterdon Central "Field House," to benefit the Jennie Haver Scholarship Fund.

The concert, with Jeff Deal, South Hunterdon Regional High School senior acting as master of ceremonies, will feature students from all five high

schools in a tribute to the Bicentennial.

The program will include a suite of old American dances, a "Star-Spangled Spectacular," and Sousa's, "The Liberty Bell March."

The Haver Scholarship has been in existence 20 years and has awarded 73 scholarships worth more than \$63,000 to high school students.

Miss Haver was a life-long resident of Hunterdon County and the first helping teacher in the state. Her work was so successful that helping teachers, now called education specialists, were instituted throughout New Jersey.

She was a graduate of Trenton State College and also attended the Parsons School, Teachers College at Columbia University and Rutgers University. She held bachelor's and master's degrees in education.

Zoo Sponsors Bird Walks

The Turtle Back Zoo in West Orange has announced its Spring Bird Walk schedule, made to get the maximum of the spring bird migration.

All birders, expert and beginner, are invited to take part in the free program.

All trips will start at the Turtle Back Zoo parking lot. The first is on March 31 at
