Please Vote. Vote your conscience, guided by the Word and Holy Spirit.

Vote in a way that honors Jesus, the Way, Truth and Life. Not the culture of death and confusion.

Vote with your ID in hand whether they want to see it or not

Vote with a joyous spirit knowing that God is bigger than politics.

Vote knowing that God has placed Christians in a country where we can make a heavenly difference even in politics.

Vote for Jesus all day, every day, in every way.

October is Pastor Appreciation Month. While I may catch, “anything but heaven”, for including this in the bulletin this month, that is a risk that I am willing to take

Our pastor works very hard to bring us the TRUTH, “by the book”, every Sunday. A lot of thought, preparation, and love goes into each one of his sermons. Or as he calls them, messages. It is more than fitting to give him some recognition this time of year! The following is from “Ministry Brands” and expresses it perfectly.

Why Pastor Appreciation Matters

“Pastors do plenty of work that people see. They preach sermons, lead services, cast vision, pray with people, lead teams, and help guide the church forward.

But a lot of pastoral ministry happens outside of public view. There are hospital visits, counseling conversations, difficult decisions, weddings, funerals, staff meetings, sermon preparation, leadership development, off-hours phone calls, and countless moments spent walking with people through important seasons of life.”

Pastor Appreciation Month creates a simple opportunity for the congregations to say, **“We see what you do, and we’re grateful for you.”**

I came across some clip art that showed an elephant and a cross. The caption said, “would Jesus vote Republican?” The answer is a resounding yes in my book. Jesus would not vote for abortion, same sex marriage, transitioning children, the list goes on and on that the Democrats are for.
