Save the date! Saturday, June 6th, 9 AM to 12PM will be an ALL CHURCH ground clean up work day, plus jobs inside the church. Lunch will be served for all the volunteers! Please sign up in the entryway.

Are you retired and looking for a ministry? Are you handy? Then the Retired Reserves might be a good fit for you! Retired Reserves are a group of men who are good stewards of the church, fixing and making repairs around the church campus. Call 815-520-8150 for more information.

The baby bottle boomerang continues through Father's Day. If you haven't already, please consider taking a bottle and filling it with loose coins, dollars, or even a check. It all adds up. All the $ goes directly to the Pregnancy Care Center of Rockford for ultrasounds, diapers and baby gear, parenting classes for both moms and dads, and so much more, all with no cost to the clients. Make a lifesaving change with your change!

SERMON NOTES

* *Don't forget to check the inside cover of your bulletin for office hours, contact info, and lots of other helpful information.* *
