

The Tamahaac Club

Message from the President

Dear Fellow Members,

We've had a long, glorious summer and I hope that you all took advantage of some of the activities available at our Club.

There was a very successful year of tennis and pickleball on our new courts. Croquet is fast becoming one of your most popular activities and is an anchor of summer fun. The Bridge and Mahjong players have had good numbers attending. I'm glad to see a new book club has started. Members are taking advantage of the chance to learn the ukulele and lessons have started up again.

Some of our members meet every Saturday to play golf together and it feels like we have our own golf club, albeit off-site.

The grounds have never been more spectacular, and we all owe a debt of gratitude to the dedicated volunteers who make this happen. For most of us, the flowers and lawns and stone walls just seem to happen but if you happen to drop by at off times, you will see some very dedicated people hard at work.

I would like to say "Thank you" to all the volunteers that make these things work.

We continue to make improvements to our Club, and this fall we will be installing a new heating system and central air conditioning. Along with the lift that was added last year, our Club will be more comfortable to our members and guests.

The Membership Committee advised the Board of Governors that we should consider a different strategy to increase our membership. A time limited offer of a reduced entrance fee and a recognition that the children of existing members should be encouraged to join were approved by the Board. I am happy to report that we have had several new members join since these offers were introduced and there is a buzz being created amongst potential members. Any member who has someone in mind to sponsor for membership should contact Chris Hugill for help and information.

Looking ahead, my favourite time at the Tamahaac is approaching. I look forward to the Christmas events, especially the Children's Christmas Party.

Shooting has started and anyone interested should feel welcome. It may seem intimidating the first few times out but the Captains and experienced shooters will go out of their way to make you feel at home. For those interested in shooting, please contact the GM at manager@tamahaac.ca who will get you in touch with the captains or you may contact the Captains directly at Jonathan.WaltonBall@NBPCD.com or Bbshantz@hotmail.com, or linda@hollyoaks.ca for the ladies.

I hope to see you all soon,

Thank you,

Scott Wooder
President

From the Desk of the General Manager

Hello Members,

It has been a wonderful start to the fall season, and I am thrilled to share that our Membership offer is already showing great success! Thanks to your enthusiasm and support, we have welcomed six new members to the Club family this month. Please join me in extending a warm Tamahaac welcome to our newest members; **Alexandra Blair, Matthew Kuhlmann and Kirby Wilkins, Dr. Andrew Martin and Janice Pinto, Michael and Lori Morrissey, Tyler and Allison Ippolito and Melodie Jansen.**

To all members who have introduced prospective candidates, thank you for your continued commitment to growing our community. Your introductions and encouragement are invaluable as we build toward a vibrant and sustainable future for the Club.

As a reminder, the Membership offer is time-sensitive, running until January 31, 2026. We are well on our way to becoming a waitlisted Club, so now is the perfect time to reach out to friends, colleagues, or acquaintances who would enjoy all that the Tamahaac has to offer. If you know someone you'd like to propose or introduce, please contact me directly. I can be reached at manager@tamahaac.ca or 905-648-4424 X 14. I will be happy to reach out personally and assist with the introduction and application process. Members are not expected to do any of the "selling", simply share their name, and I'll take care of the rest.

There are several great events coming up in the next 60 days which you may want to bring guests to such as;

The Fall Cocktail Party – November 7

Always a highlight of the season! Join us for an elegant evening of good company, fine food, and lively conversation.

"Stock Your Cellar" Wine Sampling Night – November 12

Back by popular demand! Members and guests will enjoy tasting exceptional vintages from both the Old and New Worlds. This event is not to be missed.

Lunch & Lecture – November 13

This month's topic: Life-Saving Skills. Learn Adult CPR, AED operation, and how to recognize signs of heart attack and stroke.

Tree Lighting Ceremony – November 28

A beloved family tradition. Bring the whole family to celebrate the start of the holiday season together.

Children's Christmas Party & Visit from Santa – December 7

A magical day for families and children of all ages.

Family Sunday Brunch – December 21

A festive way to wrap up the year and enjoy a warm holiday meal with friends and family.

The best way to make reservations for these events and others is to reach out to Marta at reservations@tamahaac.ca

Several members have recently asked for clarification on our guest dining policy. As outlined in the House Rules, the same non-member guest may dine at the Club once every 120 days. This policy does not apply to family members, whether they reside in your home or not. Family members do however need to be accompanied by the Club member if they do not reside in the same home. A full list of our House Rules can always be found on the Club website for your reference. Lastly, our new furnace and air conditioning project is progressing as planned and remains on budget. The furnace in the attic is now operational, and approximately 80% of the return/supply ductwork up there is also complete. Supply ducts to the bedrooms, bathrooms, and boardroom are also underway and we remain on track to have heat supplied to the entire upper floor by the end of November. Our contractors will do their best to work around a busy December to get our main floor completed early in the new year.

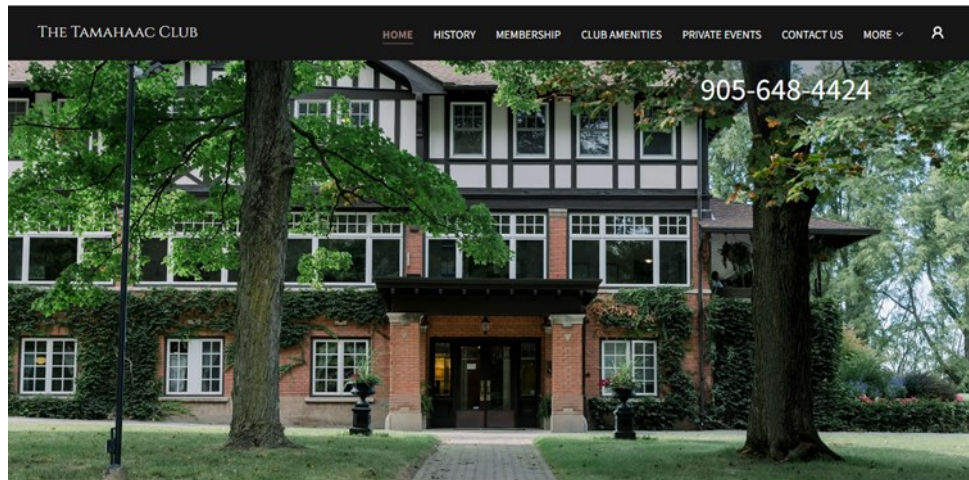

Thank you all for your continued support and for helping make the Tamahaac such a special place. I look forward to seeing many of you at the upcoming events and continuing this exciting momentum as we move closer to becoming a waitlisted Club!

Warm Regards,

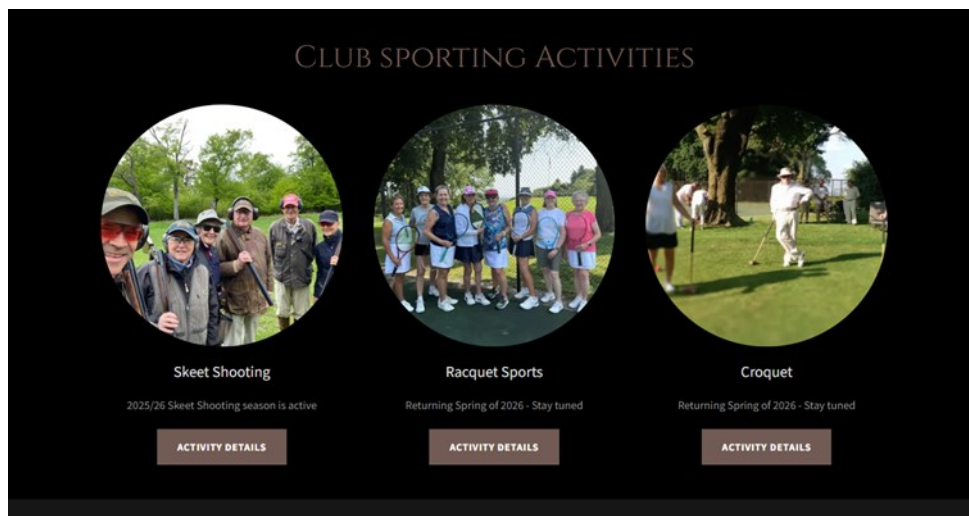

Chris Hugill
General Manager

Club Event Highlights

Outstanding on the Brow

July 2

Our Club enjoys unique experiences and on July 2, we were awarded with beautiful weather and a fabulous Canadian menu to appreciate as part of the themed dinner, "Outstanding on the Brow".

The culinary team at the Tamahaac Club embraced the theme for this evening and delivered an amazing experience for the Club members and guests. The one long table was set perfectly, the BBQs were lit at the foot of the flagpole and the team provided a perfect evening for us all.

We enjoyed eating family style. The menu created by Chef was focused on celebrating Canadiana; from Labrador salmon, Digby scallops, Alberta beef and Saskatchewan chanterelles. It was a meal to reflect on how lucky we are as Canadians while enjoying the wonderful view from the brow of the Tamahaac Club.

We hope to continue this new tradition!

Breakfast at Wimbledon

July 13

This year the day started out sunny but before the game started it began to rain as Tyler and some members diligently put up a tent to keep us dry but to no avail. We all got wet as we ran into the clubhouse.

We were greeted by coffee and croissants and sat down to watch the game.

By the time Wimbledon was over we had a delicious brunch prepared by chef and a special cake to celebrate the event. Ernie Eberhard and I cut the cake and all enjoyed it. Meanwhile back on our courts, the rain had stopped and members tried to dry them off. The croquet group led by Hope Gibson proceeded to play, however, due to conditions a brave tennis group of four played but the tournament did not take place.

That is two years without champions so here's hoping the weather cooperates for 2026!

Cheers,

Libby Simpson- Gibson

Brazilian Night

July 16

On July 16 we welcomed the sounds of entertainer Dau Brazil with his Latin American themed music in support of our Brazilian themed buffet out on the lawn. It was a welcome way to begin the summer with a beautiful evening, great friends and yet again another deliciously themed buffet!

Lobster Supper

August 20

74 members and guests satisfied their seafood cravings with fresh Atlantic lobster along with a well-appointed buffet. While the weather was not what we had hoped for on August 20, the team at the Tamahaac set the tone for this feast with splendid décor, including lobster bibs and guidelines on “How to eat a Lobster” at the table. As always an enjoyable evening with fantastic food....and very little mess!!

Mahjong

Mahjong is continuing to make its mark at the Tamahaac Club! We now have a faithful group who continue to make Tuesday afternoons from 1-3 p.m. a lot of fun, filled with laughter, and challenge.

We are always open to new members learning this great game and will likely be hosting another teaching session in the near future. Let Marta know if you are interested! As always, if you don't know how to play, you are welcome to come and watch the players and join in on the fun. We have a good extra supply of cards also, so if you know how to play and didn't get this year's card, please come out!

This year we started to have the option of joining the bridge players for lunch before play as well, so lots of options and lots of tables to join!

To quote somebody we all know now “may the jokers be in your deal”

Croquet Championship & Open Table Dinner

September 3

The Croquet Section's third and final Event of the season was on September 3, "Whites After Labour Day" Club Croquet Championship and Buffet Dinner. It was a lovely, sunny afternoon and perfect for our top 4 team Championship Playoff. The 1st semi final, Gloria Pizio and Ross Wigle (2024 Champs) vs. Lisa DiCesare and Brian Hansell, was won by Lisa and Brian. The 2nd game, Jo and Jonathan Walton-Ball vs. Kate and David Debenetti (2021 and 2023 Champs) was won by Jo and Jonathan.

In the Championship game, Lisa and Brian vs. Jo and Jonathan, had a closely contested game, approaching wicket 6, the Walton-Balls' had the lead 3-2, and with some back and forth, Jo and Jonathan were able to win wicket 6, and their 4th and winning point, to defeat Lisa and Brian. Hail to the Champions.

After the Championship, we proceeded to the verandah for presentations and a complimentary white linen gin cocktail that were generously served to members and guests by our dinner hosts, Suzanne and Chris Cayley and Gloria Pizio and Ross Wigle.

Peter McNabb welcomed everyone to the event and also formally welcomed our special guests, Jane and Michael Schwenger and Karen Shea. Michael and Karen did a grand job adjudicating our afternoon games along with very helpful croquet etiquette and technique tips.

Gloria and Ross Wigle, our 2024 Champs, generously congratulated our 2025 Club Champions, Jo and Jonathan Walton-Ball and presented them with the Croquet Championship Trophy. The competition and play was excellent, and the Cayleys, 2024 Runner-ups, presented Lisa DiCesare and Brian Hansell with their Runner-up award. Excellent sportsmanship and play throughout. Congratulations to all.

Peter spoke to the importance of the volunteers who support the Croquet Section. They make so many contributions in so many ways to make our splendid croquet play and experience even better.

Peter specifically thanked Deb McQuin, League Croquet Commissioner for the past two years, Rick McQuin for the weekly Grande Court lawn cutting and grooming, Gloria Pizio, our Croquet Photographer, who has added a significant enhancement to this summer edition of the Tamahaac Times and other pictures that appear in our outbound emails, Ross Wigle, our "Mr. Court Set Up" and author of our weekly croquet updates, Suzanne Cayley, who has been our Social Coordinator, and, of course, Rob McGowan, our strategic motivator to be always reaching for higher croquet ambitions.

Our top volunteer annually is awarded the *PALLA Trophy for the most outstanding contribution to croquet.

The award this year was jointly awarded to Ellie Rees and David Marler. David and Ellie has been keen members of the croquet section since inception 5 years ago. Ellie was one of the originators of our Pimms Table, and regularly \ volunteers for many of the behind the scenes little jobs that just need to be done. David has been the Croquet Treasurer from inception as well, and has done a highly commendable job, every penny in its place, invoices always fully receipted are promptly paid. It's an important job, and we sincerely thank them both for their loyalty and efforts.

To the close the presentations Chris Cayley thanked the entire Tamahaac Staff including Chris, Marta, Shawn, Tim and Tyler for making their invaluable services and support to the Croquet Section. Ross Wigle thanked Peter McNabb for his dedicated involvement to all things croquet at the Tamahaac.

Peter McNabb

**The Palla Trophy is awarded to individual(s) for the Most Outstanding Contribution to Croquet. "PALLA" is derived from the Italian word Pallamaglia (f) and from the PALL MALL in London where the English played a game with a ball and stick in 16th century London credited as a precursor to what has become, croquet.*

Country BBQ Pub Night

September 5

Country music and smoky BBQ!! What an evening it was with great friends. BBQ Alberta ribs, pulled pork, smoked chicken lollipops, baked beans and dirty rice....more than one groan was heard as guests commented that they couldn't get enough of the delicious food. Yee haw!

High Tea

September 11

Back by popular demand, we had 19 members and guests join us for a wonderful selection of traditional high tea finger sandwiches and pasties. We look forward to keeping this as a reoccurring event based on the positive feedback we received at the end of the event. If anyone has any high tea china they are looking to part ways with, please contact the Club; we would be happy to rehome them here.

Heritage Luncheon

September 18

On September 18, the Tamahaac hosted it's first, of what we hope to be many, Heritage Luncheons.

For those of you wondering what we mean by "Heritage" lunch; it is an opportunity to reintroduce a past tradition at the Club of luncheons. Attendees have the opportunity to enjoy their club in daylight hours, new members meeting long standing members and sharing the common interest of comradery in our beautiful Clubhouse with an always outstanding meal curated by Chef.

Fall Family Picnic

September 21

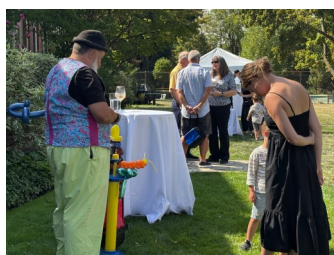

It was a perfect day with spectacular weather with over 80 members, family and guests attending the pirate themed Fall Family Picnic.

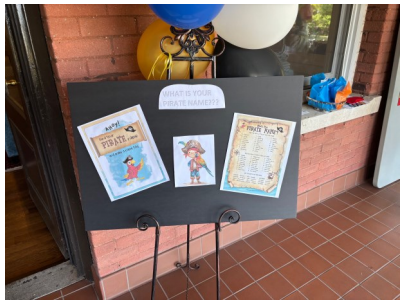

The attendees were entertained by an in-character pirate, complete with accent, private themed storytelling, treasure hunts, games and activities. Always a favourite, a very talented face painter and some very happy children! The balloon artist, another favourite, delighted both children and parents. We even saw some Moms, Dads and Grandparents with their own balloon creations! The sand art table was a great success, and we have some amazing artists in the group who created beautiful sand art bottles.

Chef, Tyler and the team created an outstanding menu, that was clearly enjoyed by everyone. Oh, and the dessert table was amazing, I think that someone went up for 3 or 4 bowls of ice cream (I am not going to say any names!). Topping it off was a cotton candy station and some of the kids learned a new life skill of how to make cotton candy by Chris Cayley.

Thank you to our volunteers, Jack Palmer, Heather Sibley, Suzanne and Chris Cayley for providing their time, creativity and support at the picnic.

It was a wonderful day at The Tamahaac Club and clearly everyone enjoyed themselves – days, like this is what makes our Club so special.

Broadway at the Tamahaac

September 25

What a magical evening we shared on September 25th at Broadway at the Tamahaac! Under clear September skies, the Club was alive with music, laughter, and the kind of warmth that only comes from a truly special gathering.

From the moment we arrived, greeted with a signature cocktail in hand, we knew we were in for something extraordinary. The evening unfolded into a dazzling mix of fine dining and Broadway brilliance. A talented group of performers from Theatre Aquarius—Scott Beaudin, Steven Gallagher, Alyssa LeClair, and Sherry Garner, accompanied by the exceptional Patrick Bowman on piano—brought us right into the heart of Broadway. Songs from *Les Misérables*, *The Sound of Music*, *My Fair Lady*, *Rent*, *Mamma Mia*, and more had us all captivated. It was a performance full of heart, humour, and unforgettable talent. And then there was the food.

Chef Shawn outdid himself with a beautifully curated five-course meal that felt like its own performance. We started with Salmon Gravlax, followed by a velvety Butternut Squash Soup, and a refreshing Lemon Basil Sorbet to set the stage for a spectacular main course: Canadian Prime Beef Tenderloin, paired perfectly with caramelized shallot, goat cheese potato pavé, Chef's vegetables, and a luxurious lobster and shrimp brandy cream sauce. And for dessert? A decadent Chocolate Mousse Cheesecake, with cascading berry coulis and a playful lemon-lime meringue pie. Each dish was paired with wines that brought out the very best in every bite—and the applause for Chef Shawn was truly well-earned.

We were also so pleased to welcome Mary Francis Moore (Artistic Director) and Kelly Straughan (Executive Director) of Theatre Aquarius, who shared in the joy of the evening with us. Special thanks to Don Davidson, Greg Gregoriou, and Chris Hugill, who worked so closely with the Theatre Aquarius team and our Club's events committee to bring this evening to life. Their care and effort were felt in every detail.

One of the most exciting parts of the evening was seeing new faces at the Club—many long-time Theatre Aquarius supporters who were visiting Tamahaac for the first time. The event not only strengthened our connection to the arts community, but also introduced many new friends to the special spirit of our Club.

There's even talk of Theatre Aquarius returning in the spring of 2026—so keep your fingers crossed and your calendars ready!

This night was a beautiful reminder of what makes Tamahaac so special: great friends, great food, and moments that leave lasting memories. It was truly a celebration of two beloved Hamilton institutions coming together—Theatre Aquarius in its 52nd season, and our own Tamahaac Club, proudly rooted in over 100 years of tradition. For those who want to learn more about Theatre Aquarius and their upcoming shows, visit theatreaquarius.org.

With warmest regards,
Hope Gibson

Tamahaac Gardens

SUMMER GARDENS

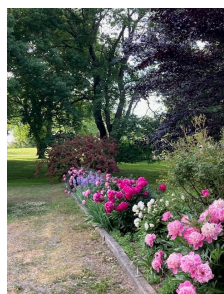

Yes, summer is over but the gardens are still showing off lovely colours in many of our gardens, urns and hanging baskets. It won't be long until Jared will put the gardens to bed for the winter.

Below are some photos showing the colours of the Tamahaac gardens this year. These will be the memories of summer to keep us warm through the winter months.

One more job in late November we will be planting daffodils to greet us next spring.

May your garden be your happy place.

Shooting

SHOOTING SEASON - WOMEN

The Ladies shooting season started with a bang at the beginning of a beautiful October, with the Tamahaac trees in full Autumn glory. It was a great turnout and everyone was pleased to catch up on all of their summer activities over a coffee and treats. This season we are collaborating with a few of the men's shooting activities which includes the Awards dinner, family and friends pizza shoot, and closing day mixed shoot with a BBQ. We thought this would be lovely, as there are an increasing number of couples joining our groups. Last year the Ladies had an incredible opportunity (enabled by Brian Waddell & Jane Findlay) to spend a couple of days at Griffith Island. We are hoping to do more special things this year, fingers crossed. We would like to welcome Sheena and Connie who have joined us this season and are having a blast shooting from the high and low houses.

Anyone who is interested in joining the Ladies Shooting please contact Linda Rawlinson by text 905 520 6761 or by email linda@hollyoaks.ca. We would all love to share this unique opportunity to shoot at a stunning location surrounded by nature and occupying a one of a kind shooting house with a roaring winter fire.

SHOOTING SEASON - MEN

The opening week of shooting had a terrific start. Wednesday our first practice day had a wonderful turnout of 14 participants. A sign of good things to come.

Our first Saturday competition had 12 participants including, Denis C, Ernie E, Tom J, Dennis K, Kevin P, Brian S, Ron S. Robin S, Barry T, Jonathan W-B, Scott W, Chris C.

The day of shooting was blessed with spectacular weather and also some great results.

Scott took the white bird in fine fashion featuring some fancy footwork in his celebration dance!!!

The high net for the day was a very tightly contested affair with 3 ties at 50 with another 5 shooters within a couple birds of this mark. Congrats to the 3 tied at high net, Denis C, Scott W, and Brian S.

The Summer Cup shoot was a close race with Scott W claiming the prize with Kevin P just 1 bird off the pace. Excellent shooting today gents. Presenting the award to Scott for this day was last years winner Robin as pictured.

A special thanks to Ross who did a fine job of staining the bench and doing some tree trimming that was greatly appreciated.

We had a unanimous decision that Tom J was the best dressed shooter with his baby blue shorts.

Looking forward to seeing you all out at this weeks' practice shoots on Wednesday and Friday at 1 pm and 2:30 pm for the new to shooting group.

Best Wishes,

Your Co-Captains,
Jonathan Walton-Ball

Summer Activities

TENNIS

The ladies' tennis had another good season . Monday morning tennis with Sally Palmer was alive and well, as was the Wednesday morning tennis clinics and round-robin tournaments. Again, France's Critchley provided an opportunity for us to work on our game, and this year we did a lot of emphasis on footwork!! We continued our new tradition of a ladies' luncheon that was very well attended. We also managed to have the Mary Bell trophy refinished (thank you, Paul Jackson!) and Sally's name is proudly engraved on it . Congratulations again to Sally Palmer for all you have done to revive a big number of the players interest in coming out to play together! Thank you to all the ladies who came out and made the season fun!

Best always,
Nancy Lennard
Ladies Tennis Captain

We enjoyed our closing dinner on October 9th and were pleased with the increased reservations over last year . We also continued to be very pleased with our new courts for both tennis and pickleball play as well as the attendance for all of our regular scheduled men's , ladies and mixed weekly events throughout the season .

John Hedden
Men's Tennis Captain

CROQUET

We have enjoyed a near perfect croquet season; weather has been splendid for our Thursday casual play, and our social into the evenings, May through early October. Attendance has been robust and our calibre of play continues to improve for all members. A wonderful addition has been the Club's Thursday BBQ offering which has been a huge success in variety, presentation and convenience.

In July, in addition to on going croquet play, the 12 team League Croquet commenced, organized by Commissioner, Deb McQuin. Deb managed scheduling and scoring throughout July and August and meticulously organized the finalists play for the Championship on September 3. It was a busy summer with Thursday casual and League play happily co-mingling games throughout the season.

Post Championship, Thursday Croquet and other games continued to early October, before the low sun and chilly temperature retired us for the season.

For 2026, we have committed to further levelling of the Grande Court commencing this fall. We will also be purchasing additional mallets, etc., to keep our equipment inventory in first class shape. The Croquet Section also thanks Michael and Jane Schwenger for their generous donation of 6 professional croquet wickets and their continued support of Tamahaac croquet.

A big thank you to our members and guests for your support and hope you enjoyed the season.

It just keeps getting better!,
Peter McNabb

Croquet is a perfect Club and family sport that can be played by all ages, can be played casually or competitively, and is also an entertaining spectator sport.

PICKLEBALL

The pickleball season is winding down after another successful summer and fall. Attendance varied but at times we had up to 16 players and there is a core group who continue to regularly support pickleball at the Tamahaac Club. The most pressing requirement is to replace the nets and the intention is to have new nets in place close to the opening of next season.

A tournament was held on October 5 and despite the modest attendance, a good time was had by all with Ernie Eberhard being the winner just edging out Ginny Soule.

I look forward to seeing as many of you as possible out on Monday afternoons next season and if you have never played before, give it a try as it is an easy game to learn and fun to play.

Tammi Trekkers

ON ROUTE TO OWEN SOUND

This fall we have started our trek completing The Blue Mountains and Beaver Valley sections and are now up in Sydenham! We have travelled forests, caves and crevices, meadows and streams and lately climbed ski hills which offer amazing views as the colours change. After November the Tammi Trekkers will have completed 652 km! Next fall we will complete the End to End! It's been a wonderful journey so far with amazing people to share all the natural beauty of the Bruce Trail!

Happy Trekking 🥾
