The Tamahaac Times

The Tamahaac Club

Message from the President

Hello fellow Members,

This is my first chance to communicate with Members since our AGM and Strawberry and Salmon Social. I appreciate all the kindness shown to me and all the promises of support.

I'm delighted to thank Past-President Glenn Taylor, for all his dedication and hard work. Thanks to Glenn and many others, we finally realized our dream of installing a lift and an accessible restroom. Our beautiful Club can now be enjoyed by members and guests with mobility challenges.

Thank you, Glenn and thanks, also to Jennifer Taylor. Jennifer has served as Shooting Captain and did an inspiring job as Chair of the House Committee. I hope the two of you get some well-deserved rest. We will need your leadership again in the future.

The Tamahaac Club is doing very well. We are financially stable. We have a growing membership. Our Wednesday and Friday dinners are seeing record setting numbers.

The various clubs at the Tamahaac are all doing very well. Most importantly there is a buzz in the air. People are very excited about what is happening.

We do have some challenges ahead and they will be addressed. I'm amazed at all the good ideas that are being sent to me to improve the Club. Most of these ideas require a capital investment. We do have funds set aside to address capital needs and a sub-committee of the Board of Governors has a list. The Governors set a list of priorities. Those items that need immediate attention get the highest priority. We need to maintain the Clubhouse and make sure the place is

heated and cooled, has water and that necessary repairs are taken care of. Our roads and parking lots need attention. You will hear more in the coming months about our plans for the next year or two.

In the meantime, enjoy the summer weather. If you have a friend or family member who you think would be a good fit at the Tamahaac please consider asking them to join. Hope Gibson, Chris Hugill or I would be happy to help.

On a final note, the Tamahaac Club has not had an archivist for the last several years. If any member is interested, please let me know. You don't need any particular background, just a belief that we should remember and celebrate our past and a desire to pass on our traditions to the next generations.

At the AGM, I invited any member to call or text me with ideas or feedback. My cell is 905-518-6781. Thanks for your generous support.

Scott Wooder

From the Desk of the General Manager

Spring into Summer at the Club!

As we wrap up the first financial quarter of the year, it's a perfect time to reflect on just how incredible the past three months have been at the Club. Attendance has been at an All-Time High with member participation being nothing short of outstanding.

Over the past 90 days, we've welcomed a total of 1,474 member visits for our dinners, 174 more than our previous record set two years ago, and 366 more than last year. That's an incredible testament to the energy, spirit, and enthusiasm of our Club community. Thank you for showing up and making every gathering a success!

We continue to receive glowing feedback on Chef's culinary offerings. Whether it's a special event or a casual Friday night out at the Club, the food has truly been a highlight—and it's only getting better.

We are excited to officially welcome **Tyler Raynham** to the team. Tyler's first official shift was the day before our Strawberry and Salmon Social, talk about hitting the ground running as we welcomed 163 members and guests out that night. Tyler brings a great deal of energy and professionalism, and I encourage everyone to say hello and help him feel at home next time you're at the Club.

I am also thrilled to introduce our newest members to the Club: **Kim and Pheroze Jeejeebhoy, David Walton-Ball, and Ben Smith and Samantha Smyth!**

Speaking of new members, if you know someone who would enjoy everything the Club has to offer, please reach out to me through my email manager@tamahaac.ca or the Club number at 905-648-4424. It would be my pleasure to tour them around and show them the vibrant community we've built.

We've recently purchased an outdoor defibrillator. It will be installed at the tennis courts shortly (we are just waiting for the electrician to wire in the 4-season storage container). Once the unit is installed, I will run some familiarization tours with the activity sections to help members feel confident should they ever need to use it.

Our new accessibility lift has been one of the most appreciated additions to the Club. It's been heartwarming to see how many members and guests are benefiting from this improvement, and we've even had increased inquiries about Club access thanks to it. The lift does require a staff member to operate it so if you need assistance, please call ahead or drop in to the admin office to let a staff member know you have arrived.

We have some very exciting upcoming events you won't want to miss, mark your calendars now for some of our most anticipated events:

Lobster Supper – August 20

Reservations are required by August 12 - don't miss out on this perennial favourite!

Summer Picnic – September 21

A classic family-friendly day to relax and connect.

Broadway at the Tamahaac – September 25

Presented by Theatre Aquarius, this special evening promises to be a showstopper. Tickets are available directly from Theatre Aquarius's Website.

Thank you all for helping to make this season so vibrant and successful. We look forward to seeing you around the Club soon!

Warm regards,
Chris Hugill
General Manager

Club Event Highlights

Spring Cocktail Party

April 4

The spring and fall cocktail parties are anticipated annual events where new members are welcomed and cocktails and conversation are sparkling.

This year's Spring Cocktail Party was no exception as guests sipped signature cocktails and noshed on delectable hors d'oeuvres while Dave, our talented pianist, played lovely music during the reception. The risotto station opened to rave reviews and many guests waited by the kitchen door to be able to snag one of the much sought after "lamb-sicles".

Members stayed long beyond the posted closing time, a testament to the wonderful food and company.

Easter Sunday Brunch

April 20

What has become the annual Easter Brunch Buffet at the Tamahaac was yet another great success this year with 118 attendees for this fun filled family event. Members, family and guests were treated to chocolates from the Easter Bunny, along with a traditional Easter egg hunt. While a little cool, the sunshine and excitement of seeing the Easter Bunny made for a perfect day. The buffet brunch provided an array of tasty fare to more than satisfy everyone's palate, including a child friendly buffet which was enjoyed.

The Easter Bunny looks forward to seeing everyone again next year!

Cinco de Mayo

May 2

Taco 'bout a good time! 63 members and guests arrived at the Club for the Mexican inspired Cinco de Mayo night. Greeted with delicious lime margaritas, festive Mexican music and colourful décor, it sure was a grand fiesta. Members and guests enjoyed tacos, quesadillas, churros and other Mexican influenced buffet selections created by Chef and his team. And we can always count on Joe to fully embrace the themed nights!

Derby Open Table

May 7

We enjoyed a memorable Derby-themed dinner at the Tamahaac Club hosted graciously by Nelson and Monica Bradshaw, along with Steve and Stephanie Kulakowsky. With a beautifully curated menu, created in collaboration with Chef and his talented team, the evening was a true culinary delight. Over 40 guests attended, dressed to impress in festive, on-theme outfits that added to the vibrant atmosphere. A heartfelt thank you to everyone who contributed decor elements that brought the Derby spirit to life and made the night so special.

Ukulele Workshop

May 8

The "Introduction to playing the ukulele" finally came into being this spring. Ginny Soule, Lisa DiCesare, Jane Findlay, Dave Hamber and Rick McQuin have all begun their new ukulele playing careers with enthusiastic support from Margie Douglas. New ukes have been purchased and another uke has been brought out of storage. The group has discovered how easy it is to begin and to learn how to play. We have disbanded for the summer but plan to reconvene in September.

We would welcome anyone else who would like to try it out. The ukulele is relatively easy to learn, relatively inexpensive to buy and you do not have to be a good singer or know how to read music. In fact, many people who "always wanted to play an instrument but never thought they could" go on to discover the joy of easily making music in a group.

We will be strumming together this fall. Please consider giving it a try!

Respectfully submitted by Don Edwards

Planting Day

May 24

After another successful year of gardening we are pleased to have Jared Vermiere on board to assist us with the gardens. As a graduate of Niagara College Landscape and Horticulture Program he comes to us with knowledge and experience.

He prepared the gardens for planting, advised on pruning and assisted Tim Enticott with pruning the flowering trees on the brow.

More new plantings have been added in the long beds replacing the boxwoods with Inkberry Holly bushes. Many of the perennials planted last year are becoming established . Unfortunately some need replacing due to winter kill.

We continue to add to the daffodils in the woods, gardens and new this year the front gates with thanks to Brian and Susan Bloomfield.

The renewed wall in the perennial bed by the parking area is looking beautiful thanks to the very professional job done by Barry Embree and David Hamber Sr.

Once again Gail Hassel and Tom Hickey planted the dahlias in the parking lot garden and the carriage house bed. Many thanks to Gail for wintering them over and Tom for digging the holes.

Planting day was planned for May 22 but for the first time we were rained out!

Our rain date was May 24 and almost all our volunteers were able to come out as well as some new ones.

Many thanks to team leaders Lynn Hamber and Ginny Soule.

Thanks for the design and planting of the urns to Linda Edwards, Sally Palmer and Liz Scheid.

The flagpole garden was ably planted by Ginny Soule, Brenda Copps Smith and Margie Douglas. The house beds were beautifully planted by Linda Bullock and Cathie McCarthy.

David Hamber Sr, Hope Gibson and Don Edwards planted the new shrubs in the long beds and assisted with planting annuals. Thanks to David Smith who planted and watered in the long beds. This area was ably overseen by Lynn Hamber.

Special thanks to Dave Hamber Sr. for his work on the tree pruning and to Don Edwards for jumping in to help wherever needed.

The volunteers who were unable to make it due to the date change and for health reasons are not forgotten and are welcome to join us when they can.

Thanks to Carol and Barry Embree, Brian and Susan Bloomfield, Lisa Hannaford, Jennifer Watson, Jane Hamber, Ellie Rees and David Marler for volunteering.

Where would we be without Tim Enticott? Our grounds keeper who supports us through all the seasons - thank you, Tim.

Special thanks to my husband, Hope Gibson, who always supports me through thick and thin!

Also a big shout out goes to the Chef and staff who served us a delicious lunch in the gun room complete with hot soup which was appreciated on the cool, damp day.

Planting day was a cooperative effort and it is a joy to work with such talented and willing volunteers. Thank you all for your talent, time and effort.

We love to make the Tamahaac a more beautiful place each year .

Spring Family Picnic

May 31

On Sunday May 31, Tamahaac members and their families enjoyed a fun filled afternoon at the Club. It was quite a site to see a llama, donkey, and rabbits arrive at the Club in their own bus as Triple C Farms brought their travelling petting zoo on site. Children waited patiently to get their favourite characters artistically painted on their faces, along with the balloon artisan crafting an array of swords, puppies and cars from his bag of balloons. The treasure hunt, along with outdoor games, provided an opportunity to work off some steam on the grounds. The buffet, along with the cotton candy treat was plentiful and enjoyed by all.

Ribbon Cutting Ceremony

June 4

The completion of the lift and accessible washroom addition was celebrated on June 4 with an official ribbon cutting ceremony. This project was something to celebrate – it was the largest club enhancement project in decades, in fact, we believe it was the largest project since the clubhouse itself was built.

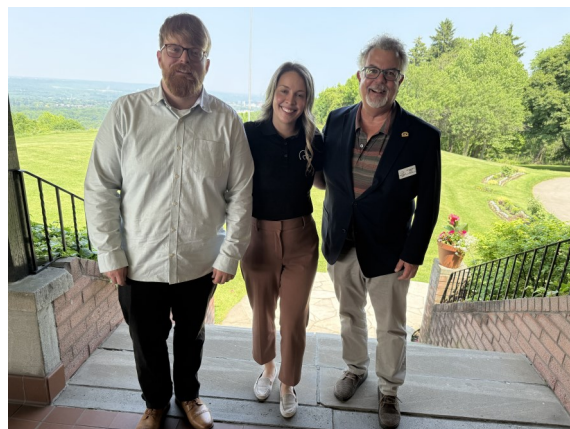

The project was in the works for almost 10 years! Differing proposals, locations and drawings were considered until the final plan was approved by the membership at the AGM in June of 2023. At that time the real work started: engineering began; funds were raised, the majority by an assessment of the membership and the remaining by a fundraising effort supported by new and old members alike. A building permit was obtained in May 2024 and construction commenced. A full year passed before completion and final approvals were obtained in late May, 2025 and almost immediately the lift began to be used by members and guests.

Lunch & Lecture

June 12

Karen Ford Swire of Ducks Unlimited gave an engaging talk explaining the vital conservation work being done by Ducks Unlimited in Ontario. We heard and saw lovely photos of DUC's work restoring and protecting wetlands and their ecosystems. Karen certainly made the case that clean water, healthy wetlands and thriving biodiversity benefit wildlife, people and the future.

Annual General Meeting

June 18

The Club's Annual General Meeting (AGM) took place on June 18 and those in attendance received a detailed accounting from the Board of Governors including financial information regarding the year just ended and a summary of the strategic plan and guiding values for the future.

Strawberry Salmon Social

June 18

The Strawberry & Salmon Social following the AGM is known as the social event of the year.

It didn't disappoint as 163 members and guests filled the Clubhouse and mingled on the lawns during the very warm summer evening. Early rain showers cleared and we were able to enjoy the magnificent outdoor setting.

Tables under the tent overlooking the escarpment were beautifully set and Chef Shawn outdid himself with a delicious buffet. Each dish seemed to feature either strawberries or salmon to the delight of those in attendance. The whole poached salmon and perfectly cooked beef tenderloin were definite crowd pleasers. The dessert buffet with strawberries galore was a fitting end to a wonderful night.

Shooting

SHOOTING SEASON - MEN

The 2024-2025 shooting season has now concluded and what may have started with a whimper in the Fall certainly ended with a bang at season's end.

The Winter and Spring sessions of the shooting season are the busiest we have. Starting with practice shooting every Wednesday and Friday afternoons and regular competitive shooting every Saturday, we also enjoyed the following special events with their respective winners:

Summer Shoot Champion: Robin St. Jean

Spring Melt Champion: Ross Wigle

4 Gun Champion: Jonathan Walton-Ball, and net winner Denis Callaghan

Doubles Champion: Jonathan Walton-Ball, and net winner a tie with Ron Stewart and Tom Johnson

Club Championship: Dave Holton, and net winner Tom Johnson

Interclub Championship: Team Tamahaac

Our longstanding interclub "home and away" competition with the Caledon Mountain Trout Club is a great event in which we all look to competing. This year Team Tamahaac regained the champion's title after many years. With our cadre of ever improving shooters, we were yet again victorious – by a margin of 7 birds over 1,600 birds thrown – a very margin of .004375% - but a win is a win and we deserved it this year!!!

2024-2025 saw many accomplishments:

- *Improved safety awareness was stressed and embraced
- *Introduced several newer members as new shooters to our sport
- *More total rounds shot than ever – with interest in Wednesday and Friday practice shoots surging
- *We enjoyed a variety of additional casual and BBQ lunches in the shooting house
- *We upgraded controllers in both houses ensured more reliable pulls
- *The introduction of new shooting formats to enhance the "fun" in our sport (such as Doubles and Team White Bird)
- *The introduction of NSSA referees for our major shoots to help us move closer to the rules of skeet for fairer more consistent outcomes
- *First "Mixed" shooting event in years to close off the shooting season
- *Changeup for the hosting of the Caledon shoot in offering a breakfast to start the day to much approval
- *Introduction of weekly mathematically updated handicaps to provide a clear and level field of play
- *Many shooters attaining their Personal Bests throughout the year

2024-2025 also saw the retirement of Ross Wigle as a shooting captain after serving for 3 terms. The Hit and Miss Shooters – at the recommendation of all Past Captains – gladly welcomes Brian Shantz as the new Co-Captain to serve with the continuing Co-Captain Jonathan Walton-Ball. Ross has made many incredible contributions to our group; he was an amazing captain and we thank him for his leadership over the years. Thank you, Ross and welcome Brian!!

We now anxiously await the 2025-2026 shooting season which begins Wednesday October 1.

The men's shooting section is a tight knit group who benefit from great camaraderie and relaxing and engaging shooting. Members who would like to be introduced to shooting should contact either of the shooting Captains Jonathan Walton-Ball (jonathan.waltonball@nbpdc.com) or Brian Shantz (bshantz@hotmail.com) for an introductory discussion and tour of our great facilities.

We are blessed with one of the most picturesque shooting fields in the country.

Summer Activities

RACQUETS SECTION

Spring has shown our courts well used and our season is progressing well . In the past few weeks we have seen very high heat warnings which has had some members postponing play under these conditions . Please keep an eye on weather conditions and heat warnings before play .

All regular weekly events, Men's Tuesday tennis , Ladies Wednesday tennis, and our mixed tennis on Thursdays are going well with many members enjoying the courts on a regular basis ! Michael Rathbone reports good participation on Monday evening Pickleball . A note of our thanks to Roger Adams for his organizing and follow up for the Men's Tuesday tennis . This event is now showing consistent attendance and both play and BBQ are being enjoyed by many. We are fortunate to have several new members for this event. It is great to see this long time Tamahaac tradition continue! Again, thanks Roger.

Our courts have been resurfaced! Work started the week of July 14, the week after our Wimbledon event . The project came to a finish on July 30, a 2-week break from court usage.

Enjoy our courts this season!
Captains, John Hedden, Roger Adams, Nancy Lennard

Pickleball continues to be well attended with up to 16 players on Monday evenings. The nets still remain the most pressing issue with their need to be replaced as any available funds for this season have been committed to the resurfacing of the courts. The intention will be to replace the nets for next season.

We also intend to have a tournament later this summer towards the end of August or early September and the idea will be a random draw for partners. Please stay tuned for more details.

If you have not tried pickleball, we encourage any members to come out to try pickleball. It is easy to learn and fun to play. If you wish to have some further instructions, please contact me through the Club.

CROQUET

We announced the 100 Day Countdown to Croquet Play in March, and bettered that with on court play May 2. We weathered some rain and cold, however, enough sun to play each Thursday in May. Thursdays are our regular croquet play and social, BBQ days, 4 pm on.

May 29, Thursday, New Members and Opening Croquet Night

New members and Opening Night and BBQ was very well attended with croquet play and instruction for Croquet members, for New Club members and other curious Tamahaac Club regulars. It was an excellent evening.

This evening was also the finale to our "Name our Flamingo Contest" conceived by Ross Wigle. For the past 3 years, the Flamingo, has been the Trophy awarded annually to the member/members who have made the most outstanding contribution to Tamahaac Croquet.

Ross Wigle announced the finalists names, and then invited Brian Bloomfield to come forward to accept the recognition and gift for the selected name. Our Trophy is now known as "PALLA" from the Italian word Pallamaglia (f) derived from the PALL MALL in London where the English played a game with a ball and stick in 16th century London credited as a precursor to what has become, croquet. Ross thanked Brian for his richly original and creative name.

Thursday Croquet in June was busy, well attended and active. The BBQ was made available each evening and contributed to the social that followed into the evening.

June 25, Wednesday, Cocktails & Croquet Play and Verandah Open Table Dinner

Steamy and still was the way to describe our 5th Annual Cocktails & Croquet Event. Some members wore some well appointed summer dresses and striped jackets for the occasion. The courts were busy with individual introductory and expert best practices skills conducted by our Honorary Croquet Referees, Pat Little and Ross Robinson. General play carried on throughout the heat however, by 6 pm we were all on the verandah to visit the PIMMS Table, hosted by Deb McQuin, Kit Seward, Jayne McNabb and Suzanne Cayley. Dinner on the verandah followed with another superb Chef Shawn Open Table Buffet.

League Croquet commenced on July 10. Croquet Commissioner, Deb McQuin, has signed up 12 teams (2 couples/ team) and has presented a schedule for July and August that will culminate with the **Croquet Club Championship and Open Table Dinner Wednesday, September 3**. Plan to join us and visit the Gin Table!

All Croqueteers will have noticed the significant improvement in the quality and quantity of our weekly and event photography by our Croquet Chronicler, Gloria Pizio.

Our volunteers make the Croquet Section happen. They make so many contributions, in so many ways, to make our splendid croquet play and experience even better. Thank you!

Get Involved!
Peter McNabb

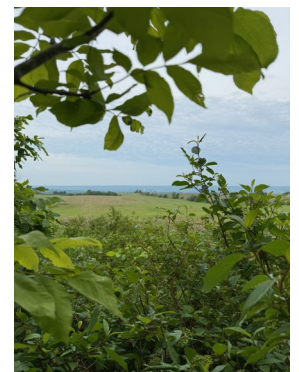

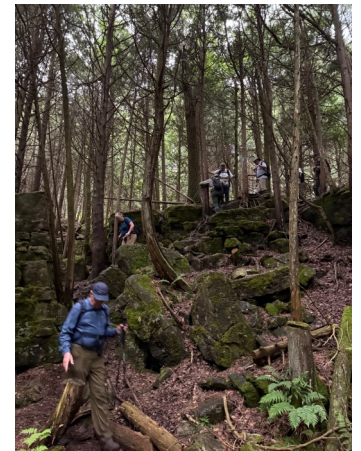

Croquet is a perfect Club and family sport that can be played by all ages, can be played casually or competitively, and is also an entertaining spectator sport.

Tammi Trekkers

TAMMI TREKKERS

From crazy thunderstorms to rocky outcroppings, hiking with livestock and incredible views, it was a memorable spring. Our intrepid group hiked the Blue Mountain and Beaver Valley sections of the Bruce Trail. In the fall we will push on to Owen Sound!

Open Table Hosting

Be a part of our popular open table evenings. These evenings are scheduled at a minimum of once per month and are designed to allow members to mingle without having to organize a table.

Hosting an open table, either just with your spouse or together with another couple, can be as involved as you would like it to be. There are no specific guidelines other than welcoming fellow members, guests and potential members, and joining them at a table for dinner.

You may wish to reach out to the membership and invite others to come out for the evening.
You may choose to make a welcome speech, a toast, bring the wine for the table/ do a wine tasting, organize a fun game/raffle with prizes, etc... Staff are available to help in this area.

The Club will pay up to \$40 for a giveaway (as an example, a floral centerpiece) at the open table. TBD by hosts.

If you are interested in hosting an open table night, please let Marta know at reservations@tamahaac.ca
Open table nights are always the first Wednesday of every month.

UPCOMING HOSTS

August 6 - Deb & Rick McQuin and Pat McKay & Ernie Eberhard

September 3 - Croquet Open Table & Championship Buffet Dinner

October 1 - Don and Linda Edwards

Lost & Found

Storage for lost and found items is getting full. Next time you are visiting the Club, please take a look for any items that could be yours. These Items are stored in the chest of drawers inside the main foyer.

Aside, from garments, we have collected reading glasses, wine bottle totes and other miscellaneous items.

Name Tags

The wearing of name tags is voluntary but there will be events throughout the year where it is indicated on the advertisement "Name Tags are requested". The feedback on the name tag program has been very positive and many members have reached out and commented on how much more comfortable they feel coming to the Club after they have been away for a bit. Name tags are located down the hallway to the left of the front foyer (past the Gunroom).

“Did You Know....”

We have welcomed our newest member of the team, **Tyler Raynham**, as our Catering & Events Manager. Please say hello when you get a chance.

The Clubhouse is available for corporate, weddings or family events. Please contact Tyler Raynham at events@tamahaac.ca or call 905-648-4424.

Don't feel like cooking for a special occasion at home? Not to worry, we have a very talented team that can prepare a wonderful catered event for takeout (subject to Clubhouse business volumes).

Contact Marta at reservations@tamahaac.ca or call 905-648-4424 for overnight room inquiries/bookings, takeout orders, and hosting open tables, as well as, dinner and member event reservations.

The Clubhouse grounds are available year round for a walk with the dog, on our beautiful walking trails. Find your way to the falls for some spectacular photos. For the more adventuresome members, a green trail has been cut which links to the Bruce Trail. The original yellow and orange trails have been re-marked down towards the falls.

Pickleball racquets and balls are stored in the bottom drawer of the dresser in the front foyer. Members are welcome to borrow these for use. We kindly ask the items are returned to the same spot.

If you do not notify the office that you are not coming for your dinner reservation, you will be charged the full price of the advertised events.

The Club has made arrangements with the five major banks, allowing members to make online payments to the Club. Members who wish to make electronic payments may go online to their bank and follow the links and instructions. To pay online, you can set up Tamahaac Club as a bill payee with your financial institution using the 3-digit member number on your statement.

Dress Code

Purpose

Tamahaac members are responsible for ensuring their guests are notified of, and adhere to, the dress code. It is suggested that invitations to guests from a function host include this dress code which is available in pdf format. We believe the dress code sets our Club apart and is an outward display of respect for each other and our traditions.

Rule of Thumb

Unless otherwise stated in the Social Events calendar (and as outlined below), apparel for all events is jacket & tie for men and comparable dressy attire for women. For all events, if in doubt, dress up, not down.

Wednesday Nights [October-April]: Jacket & Tie

Wednesday dinners are jacket and tie for men and comparable dressy attire for women unless otherwise stated in the social events calendar.

Wednesday Nights [May-September]: Smart Casual

Jacket and tie are optional. Collared shirts (tucked in) and dress slacks are appropriate. Knee length dress shorts are also acceptable. Ladies to follow suit.

Pub Nights [October-April]: Smart Casual (Plus Denim)

Jacket and tie are optional. Collared shirts (tucked in), sweaters, dress slacks, corduroy trousers and denim (not ripped, torn, frayed or bleached) are appropriate. Ladies to follow suit.

Al Fresco Fridays: [May-September] Summer Casual

Dress is relaxed. Sportswear (i.e. golf and tennis attire) is acceptable as is denim (not ripped, torn, frayed or bleached).

Club Cocktail Parties

Jacket (tie optional) for men and comparable dressy attire for women.

Christmas Dinners: Jacket & Tie

Jacket and tie for men and comparable dressy attire for women, except Christmas pub night when smart casual plus denim is appropriate.

Men's Christmas Pub Lunch

Jacket required and tie is optional.

Lunch & Lectures: Jacket [October-April]

Jacket for men (tie optional), comparable dressy attire for women except from May through September when Smart Casual applies.

Music Evenings

Jacket and tie for men, comparable dressy attire for women.

Children's Attire

The Club's dress code applies to children ages 12 and older. Younger children should dress conservatively.

CELL PHONES

Members and guests shall place their cell phones in silent mode and refrain from using in member public areas.
