

## WHAT?

**CJ Harvest on the Go** is a community-centered mobile market program designed to meet families where they are by bringing low- to no-cost priced fresh, high-quality foods and nutrition education directly to families.

## HOW?

Operating monthly at six Head Start & Afterschool Program sites for one year, our “one-stop-shop” model combines food access, nutrition education, and support services to maximize impact.

## GET INVOLVED

Help the market offer high-quality nutritious food & other needed items for families through providing a donation to the effort!
