Summary

## Mission Statement

Enhance the quality of human life through quality education and empowerment, with a focus on children, with a goal of uplifting girls, and creating self-reliant communities.

# Vision

# Our Long-Term Vision

---

A world where every child has access to education, health, and opportunity, and every village is self-sustaining.

# Focused Impact

We will support a limited number of major projects where our resources can significantly transform the lives of those in need.

# Sustained Support

We are committed to supporting each selected project for a minimum of five years to ensure meaningful, lasting change.

# Active Partnership

---

We will collaborate with charitable organizations, with a maximum of a 10% overhead cost, where we have an active role in guiding the use of funds with a long lasting impact.

# Maximising Impact

---

We aim for at least 80% of our funds to go directly toward major projects that transform the lives of underserved populations (with the remaining funds contributing to smaller projects).

# Geographic Focus

We seek to support communities in India and in the regions where our board members reside, leveraging local insight and connection.

# Financial Stewardship

Our foundation aims to follow a moderate-conservative investment strategy targeting a 6% annual return, enabling us to sustain 5% annual donations in support of projects for the next 20+ years.

Years

## **Leadership & Legacy**

We will identify individuals who share our vision, passion, and dedication, ensuring their financial needs are supported by the foundation while they lead our initiatives.

**Over the next 3–5 years, we aim to complete the following five projects.**

---

# Short Term Plan

**Integrated Village Development** – Advance holistic development initiatives in Shikar Ji and the Parasnath Hills region.

**Educational Coaching** – Provide mentoring for underprivileged children in the Okhla slum of South Delhi to help them achieve their dreams

**Midday Meal Program** – Offer nutritious midday meals to children in government schools in Ghaziabad district with the result of increased academic attendance

**Cataract Surgery Initiative** – Deliver free cataract surgeries to underserved populations in Mathura and the surrounding area.

**Senior Community Center** – Establish a welcoming space for social, cultural, and wellness activities for seniors in South Jersey.

**Thank you!**
