

THE SIDNEY R. HOFFMAN MEMORIAL

JEWISH FILM FESTIVAL

JCMI's JEWISH FILM FESTIVAL was founded in 2001 in memory of Sidney R. Hoffman, a devoted JCMI member who avidly supported showing the best of the old Yiddish films of the golden era of Jewish films made in the 1930's.

The JCMI JEWISH FILM FESTIVAL is unique in the Naples/Marco area, and the first Jewish Film Festival in all of Collier County. We have expanded our focus to include the best of many new films made each year with Jewish content.

We present award winning and entertaining films that reflect current events in Israel and around the world, films that touch on our Jewish past and present, on our culture, our identity, our children and our lives. Our films reach out to our entire Jewish community, to visitors and to our non-Jewish friends and neighbors. Everyone is welcome. Discussion and refreshments follow each film.
