Ed Lingeman, Village Superintendent: Ed reported EGLE denied our permit for the Iron removal plant due to the retention pond. But the good news is that the pond has been redesigned and they have approved the permit for our temporary well and we should have the full permit next week. An extension is being requested for the grant in case this delays construction past September. Ed also reported that the meters that Bluewater bid to the Village are not BABA compliant and different meters will be needed. Bluewater came to the office and demonstrated meters that will meet the BABA requirement. They are better meters and come with added features. Ed also explained that we need a resolution to add a streetlight to the corner of Main Street and South Shore Dr.

Trustee Wyckoff-McFarland made a motion to approve the streetlight resolution as presented. Trustee Ritter supported. Roll Call vote: Pro-Tem Edelman, yea. Trustee Wyckoff-McFarland, yea. Trustee Pomranky, yea. Trustee Wagner, yea. Trustee Ritter, yea. President McKay, absent. All yeas. No nays. Motion passed.
