

# VETERAN TEAM: VA HOME LOAN “DINE AND LEARN”

Tuesday, October 25th, 2022

6pm-8pm

Rosie's Home Cookin

1567 North Aurora Road, Naperville, IL

Please join The Veteran Team at RE/MAX Professionals Select for an evening of networking, good food, and the VA Home Loan Seminar! Our featured speaker will be Joey Mathews with The Federal Savings Bank. His presentation will:

- Help you understand the VA Home Loan process and recent changes
- Provide information on how to achieve the dream of home ownership through a VA Home loan
- Answer all questions you have about the VA Home Loan process

We will have veteran experts from all stages of the home buying process to answer your questions:

- Jennifer & Scott Slown with The Veteran Team at RE/MAX Professionals Select, VA Real Estate Agents
- Trevor Orsinger, Orsinger Law Group, Real Estate Law
- Mitch Dzierzbicki, CityWide Title Corporation, Real Estate Title
- Joey Mathews, The Federal Savings Bank, VA Home Loan Lending Expert

Most of the veteran community are not fully aware of their benefits, and how easy the VA loan can make buying a home. Help us change that. You have given your time, served your country, and protected its dreams. Let us show you how we can do the same for you!

Note: All of the speakers are Veterans or current reservists/guardsmen. Scott currently serves in the Illinois Army National Guard, Jennifer currently serves in the Marine Corps Reserve, Trevor currently serves in the Air National Guard, Joey served in the Marine Corps, and Mitch served in the Air Force. Our goal is to educate our brothers and sisters in arms on their VA Loan Benefits so that they can achieve their real estate goals.
