NOTES:

Annual event hosted by the B&G Club of Chicago and sponsored by the Chicago Cubs. Children in the age group ranging from 5-18 years old gather to participate in the event. The event is designed loosely around a summer baseball clinic. The event attracts a huge crowd, and the event is highly successful every year. There are plans (not confirmed) to have Chicago Cub players in attendance. Event media coverage is coordinated through the B&G Club and collaborative partners (film, photo). MW250 PAO should be present for this event, if able. All gear and equipment is provided for the participating Marines.

****RFI: Will there be MW250 Banners brought to the city? A request was made to hang a Marine Week 250 banner(s) around the field during the event and for photo ops.**
