

2026 District Harmony Academy Grant Application

The District Harmony Academy (DHA) Grant is intended to assist LO'L Chapters with sending additional members to the DHA in addition to the two free tuitions offered each Chapter. Chapters may apply to send up to four additional Chapter members and up to \$250 reimbursement for mileage and hotel expenses (that's \$300 + \$250, for a total of up to \$550!). These grants are intended to assist financially challenged Chapters so preferences will be given to those Chapters with less than \$10,000 in their regular Chapter funds.

Chapters are to submit this application to the LO'L Vice President of Chapter Development: Jim Rasmus (pjras20@gmail.com). Call him at (920) 973-0010 with your questions. It will be reviewed by the Chapter Support Team upon receipt. Determinations will be made ASAP, surely by December 15th so you can meet the registration deadline of Dec. 30th. Each recipient will be expected to submit an evaluation of how they benefited from attending the District Harmony Academy by February 1, 2026.
