ARTICLE VI POLICY STATEMENTS

6.01 Authority

The Board of Directors is granted authority to adopt policies intended to provide guidelines, rules or regulations for the conduct of District and Chapter business, membership activities and relationships with the general public.

6.02 Amendments

These Policies may be amended by the District Board of Directors by a two thirds vote at a duly called meeting, in person, zoom or Email of those present. Reference Policy 2.05

6.03 Amendment Procedure

The chair of the Governance and ByLaws committee shall present any known amendments or Policy changes to the District Board by mail or Email at least 5 days before the meeting at which they are to be acted upon.

6.04 Intent

It is the intent of this grant of authority to provide flexibility in meeting changing conditions without the necessity of amending the ByLaws so long as such Policies are within the purview of the authority granted and do not contravene powers secured to the House of Delegates by Society Regulation or the District ByLaws.

6.05 Sanctions

The intentional disregard or abuse of such properly adopted Statements of Policy may be the basis for disciplinary action in accordance with these policies.

6.06 Political participation

The following is the substance of a recommendation from the Society Governance Committee and is being included as an LOL District Policy.

1. Chapters may not accept political advertisements in their show programs or other publications. Organizations (such as the Society) which are tax exempt under Section 501(c)(3) of the Internal Revenue Code are specifically prohibited by IRS laws, rules and regulations from engaging, in any substantial manner, in activities for carrying on propaganda, or attempting to influence legislation, or participating in any political campaign.
2. Society Statements of Policy specifically prohibits paid or unpaid appearances (performances) at political functions in support of a candidate.
3. By contrast, a chapter chorus (or quartet) may make an appearance at the opening ceremony for a political convention to sing the National Anthem (as a paid or unpaid civic activity), and/or to provide entertainment as paid performers (being careful not to include any material which could be considered to be partisan). We caution the chapter that its members (in uniform or otherwise identified as chapter/chorus members) should also enter and leave the hall as a unit, avoiding any appearance of being participants in the official convention activity other than as performers or entertainers. In this case, Governance believes the activity is permitted, so long as there is no suggestion of "endorsement" of candidate(s), party, or issue(s), and no favoritism is shown.

6.07 Religious Holidays

The Society and its Districts will not schedule barbershop events in conflict with significant religious holidays and observances.

6.08 District Sponsored Events - Refunds

It is the Policy of the Land O'Lakes District that purchases of registrations/tickets/etc., for any District Event such as District Conventions, District Harmony Academy, Quartet Schools, etc., shall be:

1. Transferable but not refundable within 10 days of the Event,
2. Refundable only due to health or accident of member, immediate family member and the request is made in writing to the Event Chair within 10 days of the end of the event.

6.09 Fiduciary Oversight of District Funded Events

The District Treasurer shall assume fiduciary responsibility for all events where District funds are advanced, held, or managed. This responsibility includes receiving an approved budget prior to the use of District funds, ensuring proper documentation, compliance with District financial policies, and timely reconciliation of all funds. A detailed accounting of all income and expenses related to an event must be submitted to the District Treasurer within 30 days following the conclusion of the event.
