

Fun Squad Activities at the 2021 LoL Convention

The Fun Squad was created this year to bring barbershoppers from around the District together to plan new and fun activities for this year's Convention. Here's what we have cooked up.

New Tagatorium – The Fun Squad has created a new Tagatorium Room that serves as the Fun Squad Headquarters and is open throughout the Convention for tag singing. Just look for the balloons. We have created 5 different pocket tag sheets for each Convention attendee to use in the Tagatorium and anywhere/anytime you find guys to sing with. There will be additional tag books, how to use the Goodtags phone app, and several tagmeisters have volunteered to help everyone learn tags.

Tag Teaching Class - William Stutts from the Pioneer District is joining us to present a "How to Teach a Tag" class on Saturday at 3:15 after the Quartet Finals. You don't want to miss this.

Polecat Dance Card – It's back by popular demand! You will pick up your PDC at registration or in the Tagatorium. The intent is to find guys from other chapters to sing with. Complete all your songs and you qualify for a Polecat pin and entry into a drawing for a free 2022 Convention fee.

Food Truck for Saturday Breakfast and Lunch – To make sure we have plenty of food on Saturday we are bringing in the 5280 Foodtruck to the Hilton parking lot from 6:00 am to 2:00 pm. Breakfast has plenty of coffee, breakfast sandwiches and burritos and pastries. Lunch includes burritos, tacos, Cubano style hot ham and cheese.

Name That Tune Game – As part of the Saturday Night Showcase we will play the Name That Tune game right after dinner. Tables will compete as teams against each other for fun and prizes!

Badge Activity Ribbons and Stickers – To show off your participation in all the activities, we have created activity stickers that you can put on ribbons attached to your badge. There are stickers for Tags, Polecat Dance Card, social media posting, All Chapter Chorus, even Ate at the Foodtruck! Can you collect them all?

Social Media and Convention Videos – The Fun Squad is asking everyone to take videos and photos to forward to Mediameister Chris to use during the Convention and post using the hashtag #RoarBackLoL

New Hospitality Suites – There will be many active hospitality suites all located on the second floor. We will be encouraging both listening and singing by everyone in rooms. For instance in the Tagatorium room – visiting Quartets will sing a tag with everyone in the room before they head out. Fun!

Look for the Fun Squad Ribbons – If you have questions on any of these activities, please search out the guys wearing the Fun Squad ribbons. We look forward to seeing you there!
