

# Smile

Smile, though your heart is aching  
Smile, even though it's breaking  
When there are clouds in the sky, you'll get by  
If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shining through for you

Light up your face with gladness  
Hide every trace of sadness  
Although a tear may be ever so near  
That's the time you must keep on trying  
Smile, what's the use of crying?  
You'll find that life is still worthwhile  
If you just smile

Smile, just pretend you're happy  
Smile, though your life is crappy  
Your job me stink  
But make everyone think  
That you're glad just to go on living  
Don't think about forgiving  
The jerks you deal with everyday, ok

Life's full of pain and sorrow  
All day and each tomorrow  
It doesn't get  
Any better and yet  
We go on hoping that some magic  
Will hide everything that's tragic  
It's just a hope that's infantile  
When you just smile
