HOME WINEMAKERS CLASSIC
JUNE 23, 2018
"THE ULTIMATE CULT WINE
EVENT"

Our annual fundraiser, "The Home Winemakers Classic," is taking shape. This year we will be celebrating our 35th anniversary!! We are pleased to announce the new location for this year's event. **We are now at the CIA at Copia in downtown Napa!** For years we have wanted to bring this great event back to the City of Napa, the home base for the Dry Creek-Lokoya Volunteer Fire Department/Fire Company. Please come and have a GREAT time, drink some fantastic wines, eat delicious food, and bid on fantastic silent auction items while supporting your local volunteer fire department. This event has become, without a doubt, the best party for home winemakers in all of California! However, without this fund raising event, the Dry Creek-Lokoya Volunteers would not be able to support our community.

More information to come. To purchase special Early-Bird tickets, available until March 1, go to (our ***new*** website):

homewinemakersclassic.com

and look for the "Purchase Tickets" tab.

Home Winemakers CLASSIC

Join our all-volunteer Fire Department

For those who wish provide additional service to our community and join our volunteer fire department, the procedure is simple. An application must be submitted to the volunteer fire department, go to <https://www.drycreek-lokoya.com/> to download the application or contact the Chief Green at chief16@me.com. The candidate will have to pass a physical and background check and then undergo a training program. Firefighters may also have additional training and become certified as Emergency Medical Technicians (EMTs).

Dry Creek-Lokoya volunteer firefighters include the young, as well as veterans; they may be from any profession such as accountants, insurance sales people, computer technicians, mechanics, stay-at-home parents and the self-employed. They may be career firefighters with other cities, paramedics and emergency medical personnel. They are your neighbors. In some cases, the Fire Department is a family tradition that includes fathers, sons, and, even, husband and wife teams. Some firefighters are also allowed by their employers to respond from their workplace.

Your Local Volunteer Firefighters Do More Than Just Put Out Fires!

While fires, both structure and vegetation, are the most noticeable and seemingly most dangerous to the most number of neighbors, you local firefighters also respond to medical emergencies (about 95% of our calls), traffic accidents, assist with water and rope rescues, and mitigate other hazards (trees and power lines down across our roads). This is why they train so often and need to have the same training as the paid county firefighters. Below are some of our trainings we must attend to stay proficient in our skills.

Auto Extraction

Water Rescue

Ropes Rescue

Building Entanglement Prop

Pump Operations

Wildland Fire Hose Lay

Medical

Structure Fire

Qualifications:

- Must be at least 18 years of age.
- Must be able to read and write the English language proficiently.
- Must pass physical.
- Must be living within responding distance from station but not necessarily in the service area such as in the city limits.
- Must attend two drills a month; there is criteria for excused and un-excused drill absences.
- Must attend recruit training through a College or from Napa County.
