List of items that you need to bring on the Canine Camino:

1. A sturdy leash and collar: This is a must-have item as it will ensure that your dog stays close to you and does not wander off the trail. A sturdy leash will also help you to control your dog in case it encounters other animals or people.
2. Water and water bowl: It is essential to keep your dog hydrated on the trail, so make sure you bring a collapsible water bowl that is easy to pack and carry.
3. Dog food and treats: If your hike is going to take a few hours, bring enough food and treats for your dog. Choose food that is easy to carry and does not spoil quickly.
4. First-aid kit: Accidents can happen, so it is important to bring a first-aid kit that includes items such as bandages, antiseptic, and tweezers. It is always better to be prepared for any eventuality.
5. Poop bags: It is essential to pick up after your dog, so make sure you bring poop bags to dispose of any waste. Do not leave any waste on the trail as it is unsanitary and can be harmful to the environment.
6. Sunscreen: The sun can be harsh in Hermanus, so make sure you bring sunscreen to protect yourself and your dog from sunburn.
7. Bug spray: The trail may have insects and bugs, so it is important to bring bug spray to protect yourself and your dog from insect bites.
8. Comfortable shoes: The hike may be long and strenuous, so make sure you wear comfortable shoes that are suitable for hiking. Bring extra socks in case your feet get wet.
9. Sunglasses: The sun can be harsh on the eyes, so make sure you bring sunglasses to protect your eyes and keep your vision clear.
10. Camera: Hermanus is a beautiful place, so make sure you bring a camera to capture the scenic views and memorable moments of your hike with your faithful companion.

Overall, these items will ensure that you and your dog have a comfortable and enjoyable hike on the Canine Camino in Hermanus, Western Cape.
