You must register with the South Dakota Motocross Association for the race season to be eligible for points. This will require a **\$40.00 fee** that will reserve your chosen number for this season. Last year registrants are guaranteed their same number until May 1st. After that date the fee is \$50.00 and numbers are no longer reserved and may be chosen by someone else. There will be no letters, only one, two, or three digit numbers. Rule books are available online at southdakotamotocross.com, please contact a SDMA board member if you are unable to print a rule book. Your age for this race season is the age you are on January 1st, exception: Vet classes. If you are new to SDMA and riding in the 50 and 65 classes, we must have a copy of your birth certificate returned with this form on or before the next race or you will not be in the points for the year.

**Please print clearly and make a check payable to SDMA.
Do not send any race fees with number registration!**
