The Global Embassy of Culture offers its exclusive scholarship application as a benefit to all paying members, with a unique and inclusive twist: it's not just for the members themselves. This opportunity can be extended to their entire family tree, including children, grandchildren, nieces, nephews, cousins, and even step-relatives. We believe that the power of culture is generational, and by supporting the dreams of a member's extended family, we help preserve and pass on heritage, creativity, and global citizenship. Whether it's a cousin pursuing culinary arts or a niece studying history, our scholarship empowers families to uplift one another and invest in cultural legacy together.

This remains an exclusive benefit for our paying members who often question why they would want to pay their dues ever again!? It is our intent to always listen to our members and continue to provide excellent benefits to them. This can be viewed in two ways, 1. Contributing to scholarships is beautiful. 2. Getting one for yourself or a family member is excellent.

The power in being awarded the scholarship is in putting it onto your LinkedIn profile and your resume, stating THE UNITED STATES PRESIDENTIAL SERVICE CENTER & THE GLOBAL EMBASSY OF CULTURE ANNUAL SCHOLARSHIP AWARD WINNER. This ends up holding more weight and producing more opportunities and money via employment and deals than the actual scholarship amount.
