

Byron Center Animal Hospital is now offering

TELEMEDICINE

**CONSULT WITH A DOCTOR THROUGH A
VIDEO OR AUDIO CALL**

\$25-\$40 per appointment

A valid doctor/patient relationship is required for the doctor to diagnose or prescribe over the phone. This means your pet has been seen at BCAH in the last year. Even with this relationship, there will be cases that cannot be treated over the phone and an in-person exam may be recommended. If your pet has not been seen at the clinic in the last year (or ever) the doctor can advise and give expert recommendations on how you should proceed with your pet's concern.

**CALL THE CLINIC TO SET UP A
TELEMEDICINE APPOINTMENT**

**DOWNLOAD THE ZOOM APP
TO YOUR PHONE**

A doctor will call you via the app at your scheduled appointment time

***You will need to download the Zoom Cloud Meetings app from your app store onto your phone in order to receive a telemedicine appointment**
