To the Board of Directors Gold Ridge Forest - Reserve Pollock Pines, CA

Management is responsible for the accompanying financial statements of Gold Ridge Forest - Reserve (a homeowner's association), which comprise the statement of assets and fund balance--modified cash basis as of May 31, 2021, and the related statement of revenues and expenses--modified cash basis for the five months then ended in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's assets, liabilities, fund balances, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.
