## GREEN WASTE DUMPSTER DAY

June 26th from 7:00 am - 2:00 pm (or until full) behind the clubhouse. Come dump your load and meet the Fire Safe Council Team.

We will have coffee, drinks, pastries and snacks available to keep you going.

One pick-up load - Check back later in the day. If not full, we will allow for add'l loads.

A dumpster and chipper will be available to GRF residents only. Bring proof of GRF residency (POA bill, PGE with address ..... ) Leaves, brush, branches will be accepted. Stumps, construction debris, household waste and hazardous materials will not be received. No plastic bags (Paperleaf bags are acceptable) If you bring in plastic we will have to empty into the dumpster.

**Important!!** Please be sure to fill out the paperwork when delivering and let us know the hard work you put in. All working hours by our residents count towards our Firewise certificate renewal.

With the cost of the dumpster increasing by 44% we will gladly accept donations so we can continue to have more programs like this. (\$10.00 suggested donation). Can't donate time? We would love to have more volunteers to help that day. Let us know if you can.

A special thanks to Adam of A-Team Tree Service for providing us with a chip truck so we will have more room in dumpster for other debris. We appreciate it so much!

## A NOTE.....

ROSE SMITH

Recruiting and filling positions so that our pools could open has been difficult this year. Unknown Covid requirements & limitations, as well as staff availability, added to the challenge. As early as March, we began to spread the word of staffing needs in order to open the pools for the summer. Notices have been included in Newsletters, Facebook, Facebook Marketplace, Next Door, as well as local high schools & college career centers and The Mountain Democrat.

The GRF Board of Directors would especially like to thank the following merchants for allowing us to post our SEASONAL HELP WANTED notices for Pool Attendants in their establishments. We very much appreciate the local support in helping to get the word out to the community.

The following Pollock Pines merchants were contacted:

Sierra Nevada Tire

Subway

Papa Murphy's Pizza

Knotty Pine Bowling

Snap Fitness

Also in Placerville:

Grocery Outlet

Sportsman's Hall

Burger Barn

True Value Hardware

C&T's Restaurant

Old Town Grill

Applications are coming in, Interviews taking place as this newsletter is created, staff is being hired and the pool is expected to be fully staffed & opened by Monday, June 14!  
Thanks to all those that assisted in helping to make it happen!

# Gold Ridge Forest Fire Safe Council

**If They Can't Find You - They Can't Help You!**

When emergency responders are called to a given location, there may be a delay in response if crews are unable to see the address from the street. As everyone in this area knows, GPS locations are not always accurate. The few extra minutes it may take to locate your address could cost you your home — or your life.
