Please do not disturb members who have rented the lodge for a private party!

Gold Ridge members have reserved the Lodge for a private event and have paid \$150 / or \$90 per day for **exclusive** use of the Lodge. These private events are typically: Wedding Ceremonies, Celebration of Life, Baby showers, wedding showers, anniversary parties, family reunions, rescue training, Boy Scout and Girl Scout award ceremonies, Etc.

Imagine you have paid to use the building, and at the most private moment, a Gold Ridge member appears at the door and interrupts to ask (or on some occasions, it was reported, "demanded"), to use the restroom! Please bring our pool key FOB with you to the recreation area, you are welcome to use the restrooms inside the pool areas, 7 days per week, from 8:30-am until 7:50pm during summer pool season.

Adjacent to Greenbelt Areas C-15- Granite Trail

And C-16- Garnet Rd. and Pearl Rd.

The GRF greenbelt contractor, **Garrett Forest Management** will begin fire safety measures clearing brush in the greenbelt areas, **C-15** and **C-16** behind/near your home beginning this spring as weather and scheduling permits.

Thank you Dominique Smith for your hard work getting this Scheduled
