- Casa Playa is a coastal Mexican restaurant located inside Encore that focuses on fresh seafood, seasonal ingredients and a house made masa program. The menu from Chef Sarah Thompson is designed to be enjoyed family-style, with many interactive large-format dishes that build on each other, including the pork belly al pastor and whole snapper tempura, accompanied by house made tortillas. The beverage program includes an extensive tequila and mezcal selection that is elevated and inspired by modern, fun, bright and innovative techniques and flavors featured in specialty cocktails, like the spicy yet cooling Obsidian margarita.

Wynn Golf Club

Wynn Golf Club is a 6,722-yard, par-70 championship length course built to accommodate and challenge golfers of all skill levels. Over 400,000 cubic yards of earth were moved to create the dramatic elevation changes once considered unimaginable on the Las Vegas Strip. Over 8,000 trees span the landscape, including 1,200 that remain from this property's Desert Inn Golf Club legacy. Many trees are more than 70 years old and over 60 feet tall. Two marshland areas on the course are fed by natural groundwater, and amid the course's three lakes and meandering streams, players encounter water on 12 of the course's 18 holes.

- Golfers are required to wear a shirt with a collar, soft spikes and golf-appropriate pants (no denim). Shorts are allowed if they are no higher than mid-thigh. Apparel selections are available in the Pro Shop.
