To all property owners in Town of Surry

In September 2028, the Town of Surry will be celebrating 100 years. The Town Council is planning for this milestone starting now. The Town Council has discussed various ways of ongoing celebration for our property owners. The Council is offering Town property owners a “Property Improvement Grant”. This is a program of matching grants designed to improve the exterior conditions, appearance, or structures of property owners within the Town limits of the Town of Surry, VA. The program timeline will be from July 1, 2026 ending on June 30, 2028, with no applications accepted after May 31, 2028. The amounts requested will be based on amounts allocated by the Town Council: up to \$2000 for 10 (ten) projects for individual property owners for a total of \$20,000 and up to \$5000 for 6 (six) projects for businesses of property owners (not renters) for a total of \$30,000.

Proposals will be considered based on completion of the application process and feasibility of project. All projects must abide by all Ordinances of the Town of Surry, VA. Acceptance of projects for consideration will be on a first come, first serve basis and only 1 (one) proposal per individual property owner will be considered. Proposals will be considered without regard to sex, race, religion, or color of applicant. Members of the Surry Town Council nor Town of Surry Planning Commission are eligible to participate in this program. Final decision of acceptance or nonacceptance of proposals will be by the Surry Town Council. Money will be paid 30 days upon proof of project completion and land owner’s total expenditure.

Applications can be obtained in the Town’s business office (31 Colonial Trail East) or on the Town’s website surryva.town.
