About Us:

Sunflower Office Supply is located in Pine Ridge, SD and has been open since September 2020. Our mission is to supply any and all organizations with office products to assist them in meeting the goals or the mission statements of their organizations. Our 2nd party suppliers are Office Depot/Office Max and S.P. Richards that are major suppliers for the products that we deliver to customers. We currently have a staff of seven individuals that can assist you about placing orders with our organizations.

A second objective for Sunflower Office Supply is to provide employment right here at home. We plan to expand our staff to include high school aged delivery individuals in the near future. Sunflower is 100% Native owned and all employees are enrolled members of the Oglala Sioux Tribe. If we can assist you, please give us a call or email at the above listed information so that we can help you meet the needs of your organization.

We are excited about this adventure and it is the first time that an office product supply business is operating here on the Pine Ridge Indian Reservation. We need your help and your support to ensure that this business adventure works out for the best of our community, our tribal members and you, the customer!

Our Sunflower Office Supply staff would be more than happy to work with you to figure out the process so that Sunflower can meet your mission statement or office goals.
