iCan! Work

Meet Brian!

Brian is one of The FOUNDATION's iCan! Work members! He completed his on-the-job training at Orlando Health Winnie Palmer Hospital for Women & Babies.

Brian quickly became a valued part of the Food & Nutrition team, demonstrating his kindness, independence, and strong work ethic. After a successful training period, Brian was excited to be officially hired. Brian likes working with his team and staying busy. Orlando Health Winnie Palmer Hospital for Women & Babies has been incredibly supportive, providing encouragement, guidance, and a welcoming environment where Brian can thrive. Brian will attend Clemson University as a freshman for 2026-2027 school year. He is a shining example that when POTENTIAL is given OPPORTUNITY the outcome is SUCCESS!
